METROPOLITAN WATER DISTRICT OF SOUTHERN CALIFORNIA

August 27, 1993

To: Board of Directors (Finance and Insurance Committee--Action)

From: General Manager

Subject: Amendments to MWD Administrative Code Related to Optional Redemption Funds and Excess Earnings Funds

Report

Staff has reviewed certain sections of the MWD Administrative Code as they pertain to the optional redemption funds and excess earning funds. Findings indicate that the titles and descriptions for the Optional Redemption Fund (Fund 15) and the Optional Revenue Bond Redemption Fund 1975 (Fund 30) should be amended to include the redemption of all untendered, called, refunded bonds for their respective authorizations. This will eliminate the need to continuously add optional redemption funds in the future for refunded bonds. This action would then make the Optional Revenue Bond Redemption Fund 1976 (Fund 31) unnecessary and therefore this fund will be deleted. The two amended funds should be added to Section 5200, Funds Established and 5201, Restricted Funds. In addition, staff's findings indicate that the excess earning funds currently included in Section 5200 but not in Section 5201 should be added to this section.

The recommended new Administrative Code language is shown in Attachment A. Modifications to the Code are shown by underscoring and strikeovers in Attachment B.

The recommended action is exempt from the provisions of the California Environmental Quality Act because it can have no possible effect on the environment.

Board Committee Assignment

This letter was referred for action to the Finance and Insurance Committee because the committee shall study, advise, and make recommendations with regard to form and contents of accounts, financial reports, and financial statements, pursuant to Administrative Code Section 2441(k).
