Report

At its February 11, 1992 meeting, The Metropolitan Water District of Southern California's (Metropolitan) Board of Directors approved deferring the consideration of all informal annexation requests, pursuant to Metropolitan's Administrative Code Section 3100(a), until an Annexation Charge Study had been reviewed and considered by Metropolitan's Board. On July 14, 1992, your Board reviewed and considered the Annexation Charge Study, and established a new charge as recommended by the General Manager. The deferral of consideration for informal annexation requests was not lifted.

On July 29, 1992 the Subcommittee to Review Annexations (Subcommittee) at its regularly scheduled meeting discussed the merits of continuing or lifting the current deferral of consideration for informal annexation requests. A majority decision was not reached by the Subcommittee and as such was referred to the Water Problems Committee for discussion.
