

RESOLUTION 8376

RESOLUTION OF THE BOARD OF DIRECTORS  
OF THE METROPOLITAN WATER DISTRICT  
OF SOUTHERN CALIFORNIA REGARDING THE  
GARVEY RESERVOIR RESTORATION PROJECT

- WHEREAS, High groundwater was detected downstream of Metropolitan's Garvey Reservoir, located in the City of Monterey Park; and
- WHEREAS, Upon further investigation it was determined that the liner of the reservoir was leaking and contributing water to the groundwater basin; and
- WHEREAS, Metropolitan has commissioned extensive engineering studies to investigate causes and remedies of the seepage, and has prepared an Environmental Impact Report to document the potential environmental impacts associated with restoring the reservoir; and
- WHEREAS, The Environmental Impact Report verifies the results of the Initial environmental Study, that implementation of the proposed repair alternative will not have a significant impact on the environment, and that as an extraordinary measure, Metropolitan voluntarily adopts mitigation measures to further reduce temporary, but insignificant, impacts to ensure that impacts are minimized to the extent practicable; and
- WHEREAS, Pursuant to the requirements of the California Environmental Quality Act, Findings and a Mitigation Monitoring Plan are not required; however, they are made a condition of project approval; and
- WHEREAS, Garvey Reservoir and the City of Monterey Park are not located in Metropolitan's service area, that the elected officials and professional staff, and the residents of the City of Monterey Park have expressed concern about the potential reopening of the reservoir; and
- WHEREAS, By this Resolution, the Board of Directors of the Metropolitan Water District of Southern California acknowledges the concerns of the City of Monterey Park.

NOW, THEREFORE, BE IT RESOLVED, that on September 15, 1992, the Board of Directors of the Metropolitan Water District of Southern California certifies that the Final Environmental Impact Report for the Garvey Reservoir Restoration Project has been completed in compliance with the California Environmental Quality Act, voluntarily adopts the Findings and Mitigation Monitoring Plan for the project, approves the proposed project, and authorizes the General Manager to proceed with final design and construction of the proposed restoration of Garvey Reservoir.

BE IT FURTHER RESOLVED that the Executive Secretary is hereby directed to file forthwith a certified copy of this resolution with the City Council of the City of Monterey Park.

I HEREBY CERTIFY, that the foregoing is a full, true, and correct copy of a resolution of the Board of Directors of The Metropolitan Water District of Southern California, at its meeting held September 15, 1992.
