*To:* Board of Directors (Finance and Insurance Committee--Information)  
*From:* General Manager  
*Subject:* Quarterly Report on Changes in Funding Sources for Capital Program Expenditures

### Report

The General Manager is authorized under Section 5108(d) of the Administrative Code to designate the source of funds for appropriations to pay capital program expenditures. The Code requires the General Manager to report any changes in sources of funding from those designated at the time of the Board's approval of the appropriation.

During the quarter ended June 30, 1993, the General Manager authorized the changes shown by Attachment A to this letter. Most of these changes in funding sources were made because of the sale of the 1992 revenue bonds, enabling appropriations to be transferred from the 1991 Revenue Bond Fund to the 1992 Revenue Bond Fund. The changes were made in compliance with the MWD Act; Board resolutions authorizing security sales; Federal tax laws and U.S. Treasury regulations; tax and nonarbitrage certificates; and/or letters of instructions from bond counsel. The attached listing shows the amounts transferred, fund and appropriation numbers, project titles, and the changes in funding sources.

### Board Committee Assignment

This letter is referred for information to the Finance and Insurance Committee because of its authority concerning the authorization of appropriations, and the form and contents of accounts, financial reports, and financial statements pursuant to Administrative Code Section 2441(d) and (k).
