METROPOLITAN WATER DISTRICT OF SOUTHERN CALIFORNIA

REVISED 7-5

September 20, 1993

To: Board of Directors  
From: General Manager  
Subject: Proposed New Operations and Maintenance Goals

Report

At its meeting of September 20, 1993, the Engineering and Operations Committee revised the Proposed Operations and Maintenance Goal to read as follows:

Management believes the Board should adopt a goal that specifically recognizes the importance of the operations and maintenance of the water system. Management recommends the following goal: "Metropolitan Water District of Southern California will operate and maintain water delivery, treatment, and distribution facilities in a manner that meets the needs of the Member Agencies and ensures long-term reliability, efficiency cost-effectiveness, safety, and security."

Recommendation

Add to the Board's existing goals and objectives a new Operations and Maintenance Goal as described in this letter.
