THE METROPOLITAN WATER DISTRICT OF SOUTHERN CALIFORNIA  
DIRECTING THE CONDEMNATION OF CERTAIN PROPERTIES SITUATED  
IN RIVERSIDE COUNTY (DOMENIGONI VALLEY RESERVOIR PROJECT)**

BE IT RESOLVED, by the Board of Directors of The  
Metropolitan Water District of Southern California (District):

Section 1. The District's Board finds and determines that the public interest and necessity require, for public use, the construction, operation, and maintenance of a reservoir for the storage and transportation of water, and for the relocation of Newport Road in connection with the reservoir, in the County of Riverside, California, and that certain properties situated in the County of Riverside are necessary therefor.

Section 2. The properties to be acquired for the public use set forth in Section 1 hereof consist of the interests in the parcels of land described in Exhibit A attached hereto and incorporated herein by reference. The properties are located within the District's boundaries at the locations shown on Exhibit B attached hereto and incorporated herein by reference. The District's Board finds and determines that the properties are necessary for the proposed project.

Section 3. The District's Board of Directors hereby declares its intention to acquire the properties by proceedings in eminent domain as authorized by the Metropolitan Water District Act (Stats. 1969, Ch. 209, as amended).

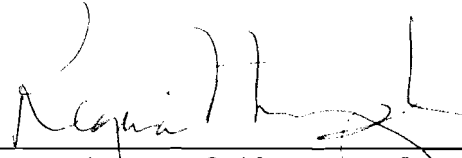

Section 4. The proposed project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury.

Section 5. The offer required by section 7267.2 of the California Government Code has been made to the owners of record of the properties.

Section 6. The District's General Counsel is hereby directed to commence proceedings in the Superior Court of California, County of Riverside, for the purpose of condemning and acquiring the properties and to take such steps as may be necessary to secure an order of court permitting the District to take possession of the properties for the uses and purposes herein described. He is authorized to take such action and steps as he deems necessary in connection with such proceedings, including the amending of the complaint to reduce the extent of the property to be acquired so as to reduce the

compensation payable in the action where such change would not substantially impair the construction and operation of the said public works, and to incur expenses necessary and incidental to the action.

I HEREBY CERTIFY, that the foregoing resolution was adopted by a two-thirds vote of the Board of Directors of The Metropolitan Water District of Southern California on March 8, 1994.
