

## RESOLUTION 8449

A RESOLUTION LEVYING TAXES FOR THE FISCAL YEAR  
COMMENCING JULY 1, 1994 AND ENDING JUNE 30, 1995  
FOR THE PURPOSES OF THE METROPOLITAN WATER DISTRICT  
OF SOUTHERN CALIFORNIA

The Board of Directors of The Metropolitan Water District of Southern California, after receiving, considering, and evaluating evidence and all material factors pertaining thereto, including budget requirements, water rates and revenues, and tax rates and revenues, finds, determines, and resolves:

## Section 1.

FINDINGSWater Rates

With full review of (1) evidence presented, and (2) all material factors and considerations, the Board of Directors has fixed water rates to be effective for the fiscal year beginning July 1, 1994, which, in the debated, informed and considered discretion of the Board, are in compliance with Section 134 of the Metropolitan Water District Act, in that the Board, so far as practicable, has fixed such rates as will result in revenue which will pay the District's operating expenses, provide for maintenance and repairs, provide for payment of the purchase price or other charges for property or services or other rights acquired by the District, and provide for the payment of the interest and principal of District bonds, notes and other evidence of indebtedness under the applicable provisions of the Metropolitan Water District Act authorizing debt issuance and retirement.

Taxation

In its informed discretion, based upon full review of evidence presented and all material factors and considerations, including the budget, the Board of Directors finds and determines that the District's revenues for the said fiscal year from water sales and sources other than ad valorem property taxes, after payment of the District's operation and maintenance expenses, the operation, maintenance, power, and replacement charges due under the District's State contract, revenue bond service, deposits to the revenue bond reserve fund, short term revenue certificate (commercial paper note) service, contractual obligations to San Diego County Water Authority, net costs of operating equipment, and net inventory costs during the fiscal year, as well as the maintenance of prudent reserves for unforeseen District expenditures or unforeseen reduction in District revenue will be insufficient to provide for general obligation bond service and to pay the District's remaining contract obligations to the State of California for sale and delivery of water. Therefore, the Board finds and determines that it is necessary, and required by law, to levy taxes as provided in this Resolution and the exhibits attached, sufficient, when taken with other revenues available for the purpose, to meet all of the foregoing obligations and financial requirements, in the amounts and rates set forth in this Resolution and the schedules attached and incorporated therein.

Section 3.1

STATEMENT REGARDING ARTICLE XIII A OF  
THE CONSTITUTION OF THE STATE OF CALIFORNIA

None of the tax levies made by the Board of Directors of MWD of SC in the next succeeding sections fall within Section 1(a) of Article XIII A approved by the electorate on June 6, 1978 for addition to the California Constitution, effective July 1, 1978. All of said levies fall under the Section 1(b) exemption to said Section 1(a) and are otherwise exempt from said Section 1(a) by reason of the impairment of contract clause of Article I, Section 10 of the United States Constitution. All of said levies are made pursuant to Revenue and Taxation Code Section 93(a) and are for the purpose of and shall be used for payment of "voter-approved indebtedness."

Section 4.

- b. The rates of such taxation of MWD of SC for the fiscal year 1994-95 upon secured taxable property in each of the areas subject to such levies hereby are fixed and levied at the various percentages of assessed valuation set forth in Column #1 of Schedule B. The rates of such taxation for the fiscal year 1994-95 upon unsecured taxable property are the rates fixed and levied for the preceding year applicable to secured taxable property, as required by operation of law.
- c. The amounts of money to be derived from said levies are set forth in Column #3 of Schedule B, including the amounts of money to be derived from the area of MWD of SC within each separate municipality.

Section 5.

- a. The amount of money necessary to be raised by ad valorem property taxation during the fiscal year is the sum set forth in the last line in column #2 of Schedule A. The portion of said amount required for the bonds approved by the voters residing within MWD of SC on September 29, 1931, and the portion of said amount required for the bonds approved by the voters residing within MWD of SC on June 7, 1966 are shown by footnote on Schedule A.
- b. The rate of such taxation of MWD of SC for the fiscal year 1994-95 upon secured taxable property within MWD of SC hereby is fixed and levied at .0072% of assessed valuation. The rate of such taxation for the fiscal year 1994-95 upon unsecured taxable property is the rate fixed and levied for the preceding year applicable to secured taxable property, as required by operation of law.
- c. The amounts of money necessary to be derived from said levy are set forth in Column #4 of Schedule B, including the amounts of money to be derived from the area of MWD of SC within each separate municipality.

"CONTRACT BETWEEN THE STATE OF CALIFORNIA DEPARTMENT OF WATER RESOURCES AND THE METROPOLITAN WATER DISTRICT OF SOUTHERN CALIFORNIA FOR A WATER SUPPLY, dated November 4, 1960" (State Water Contract):

- a. The amount of money necessary to be raised by ad valorem property taxation during the fiscal year in excess of the sum raised under Section 4 of this Resolution is the sum set forth in the last line of Column #3 of Schedule A.

Pursuant to the "Community Redevelopment Law" (California Constitution Art. XIII, Sec. 19; Health and Safety Code, Sec. 33000 et seq.) taxes levied upon taxable property in a redevelopment project each year by MWD of SC after the effective date of the ordinance approving the redevelopment plan shall be allocated as follows:

- a. That portion of the taxes which would be produced by the rate upon which the tax is levied for the fiscal year upon the total sum of the assessed value of the taxable property in the redevelopment project as shown upon the assessment roll used in connection with the taxation of such property by MWD of SC, last equalized prior to the effective date of such ordinance, shall be allocated to, and when collected shall be paid into the funds of the MWD of SC; and
- b. That portion of said levied taxes for the fiscal year in excess of such amount shall be allocated to and when collected shall be paid into a special fund of the respective redevelopment agency to pay the principal of and interest on loans, moneys advanced to, or indebtedness (whether funded, refunded, assumed, or otherwise) incurred by, such redevelopment agency to finance or refinance, in whole or in part, such redevelopment project; provided, however, in the case of any redevelopment project for which MWD of SC has elected, by resolution of its Board of Directors, pursuant to Section 33676 of the Community Redevelopment Law, to be allocated that portion of tax revenues attributable to 1) any increase in MWD of SC's tax rate and 2) the annual inflation adjustment on the assessed valuation of project property occurring after such project's base year and filed copies of such resolution with the affected redevelopment agency and county officers, such portion of such tax revenues shall be paid into the funds of MWD of SC. When said loans, advances, and indebtedness, if any, and interest thereon, have been paid, all moneys thereafter received from taxes levied by MWD of SC upon the taxable property in such redevelopment project shall be paid into the funds of the MWD of SC as taxes on all other property are paid.

The total rates of taxation of MWD of SC for the fiscal year set forth in Column #2 of Schedule B are the rates of taxation upon taxable property taxable by MWD of SC within the areas shown in said Schedule, including taxable property within redevelopment agencies as well as all other property so taxable by MWD of SC; and the total amounts of money shown in Column #6

of Schedule B to be derived from certain of said areas by virtue of said tax levies of MWD of SC include amounts of money to be allocated to redevelopment agencies, as well as amounts of money to be allocated to MWD of SC.
