From: General Manager  
Subject: Breakdown of Dollars Spent with Temporary Service Agencies

Report

The Human Resources Division administers temporary employment service agreements for all departments and divisions with the exception of the Engineering Division's professional services labor agreements. The approved Operations and Maintenance budget for temporary employees for fiscal year 1994-95 is \$7,044,900; with approximately half of these funds being utilized in the employment of district temporary personnel and the other half for temporary service agency personnel.

Of the total funds released through January 31, 1995 (\$2,190,752) for temporary agency services, 9.6% (\$209,918) has been released to minority-owned temporary service agencies and 43.5% (\$953,708) has been released to woman-owned temporary service agencies.
