- It is recommended that the General Manager be authorized to amend existing agreements and enter into new contracts with employment service agencies supplying temporary personnel in excess of the \$250,000 limitation with an overall limitation in amounts paid of \$4,208,380 for the second half of fiscal year (FY) 1997-98, substantially in accordance with the terms outlined in this letter, and in form approved by the General Counsel.

EXECUTIVE SUMMARY

The Human Resources Division administers temporary employment service agreements for all departments and divisions with the exception of the Engineering Division's professional services labor agreements. The approved budget for temporary personnel for FY 1997-98 is \$8,416,760.

DETAILED REPORT

PURPOSE/BACKGROUND:

Since 1989, your Board has authorized the General Manager to enter into contracts with employment services to obtain temporary personnel for the District's departments and divisions. It is proposed to amend existing contracts and enter into new contracts with various employment service agencies who supply personnel, supervised and directed by District staff, and to employ additional temporary and part-time District personnel with an overall limitation in amounts paid of \$4,208,380 for the second half of FY 1997-98. This is one-half of the total of \$8,416,760 included in the approved FY 1997-98 budget for all departments and divisions, with the exception of the Engineering Division.

The average cost per employee paid to the Temporary Agency from July 1, 1997 to date is:

\$8,801.00 for non-professional

\$40,278.00 for professional

Some of the new or amended contracts will be payable in overall amounts exceeding the General Manager's \$250,000 limitation under Administrative Code Section 8117. Costs for the agreements are monitored by Human Resources Division staff. When monetary limitations of the agreements are reached, a change order is prepared under this authority and funds for the agreements are adjusted without disruption or termination of service.

MBE/WBE:

A complete list of the employment service agencies currently providing a full range of clerical, administrative, information systems, technical, laboratory, industrial and other temporary personnel is provided in Attachment A.
