Gentlemen:

Tolling Agreement between IID/SD/MWDSC

It has come to my attention that counsel for the Authority, Imperial and Coachella have agreed to an extension on their tolling agreement regarding tolling the statute of limitations with respect to any litigation based on the alleged failure of the Authority and Imperial to comply with CEQA prior to entering into their water transfer agreement. Today I asked if you would extend the same courtesy to Metropolitan and you agreed. I thank you for that consideration.

If so authorized, please sign below to confirm that the term of the May 26, 1998 Tolling Agreement among the Authority, Imperial and Metropolitan is extended to and including August 25, 1998. The extension will be effective when this letter is signed by each of us.

Very truly yours,

N. Gregory Taylor  
General Counsel

I agree to the above described extension:
