Subject

Adopt resolution providing for changes in Metropolitan's contributions to medical plans maintained by Public Employees' Retirement System for the calendar year 2003

Description

The current Memoranda of Understanding between Metropolitan and its employee bargaining units provide changes in Metropolitan's contributions to the cost of medical insurance from the Public Employees' Retirement System (PERS) under provisions of the Public Employees' Medical and Hospital Care Act. Under the Metropolitan Water District Administrative Code, Metropolitan's unrepresented employees will be provided matching contributions for medical insurance. Additionally, the regulations of the PERS Board of Administration require equal coverage and contributions for eligible annuitants.

Commencing January 1, 2003, the changes will provide a maximum monthly contribution of \$493 with respect to an employee or annuitant enrolled for self only; a maximum monthly contribution of \$986 for an employee or annuitant enrolled for self and one family member; and a maximum monthly contribution of \$1,282 for an employee or annuitant enrolled for self and two or more family members. These rates are based on changes in the PERS medical rates that will be in effect from January 1, 2003 through December 31, 2003.

The Metropolitan Water District Administrative Code § 6522, which addresses medical contributions for unrepresented managers, will require an amendment to reflect this change.

The CEQA determination is: Determine that the proposed action is not subject to CEQA pursuant to Sections 15378(b)(2) and 15378(b)(4) of the State CEQA Guidelines.
