### **Subject**

---

Approve amendments to the Metropolitan Water District Administrative Code to conform to current laws and practices and make corrections

### **Description**

---

This letter proposes amendments to Metropolitan's Administrative Code to reflect changes in Metropolitan's practices, to conform the Code to pertinent laws and regulations, correct minor errors and to provide consistency with previously enacted Administrative Code sections. The proposed amendments are set forth in **Attachment 1**, with overstrikes reflecting deletions and underlining reflecting additions. **Attachment 2** sets forth the sections as they would now appear in the Administrative Code. The proposed amendments include the described changes to the following Administrative Code sections:

- Section 2201 is revised to clarify that committee chair and vice chair members of the Executive Committee serve as nonofficer members on the Executive Committee.
- Sections 2400, 2440, 2441, 4304, 5104, 5105, 5107, 5305 and 6436 are revised to change the name of the Budget and Finance Committee to the Budget, Finance, Investment and Insurance Committee.
- Section 2411 is revised to delete an obsolete reference to transitional members of the Executive Committee.
- Sections 2417, 2451, 2570 and 2580 are revised to more clearly define the respective roles of the committees referenced in these sections. These amendments reflect the transfer of responsibility to review policies regarding annexation and the terms and conditions for annexations from the Executive Committee to the Asset and Real Property Committee, the Asset and Real Property Committee's jurisdiction over real property transactions, the Organization and Personnel Committee's role in labor negotiations and the Recreation Committee's oversight of proceeds from the disposition of Diamond Valley Lake and Lake Skinner surplus property.
- Sections 4301, 4304, 4403 and 4507 are revised to delete obsolete references to the capacity reservation charge and refer to the capacity charge instead.
- Section 6806 is revised to conform to notice requirements for deferred compensation elections, consistent with tax regulations and current practice.

### **Policy**

---

Metropolitan Water District Administrative Code Section 2461(h); approval of amendments to the Administrative Code

### **California Environmental Quality Act (CEQA)**

---

CEQA determination for Staff Recommendation:

The proposed action is not defined as a project under CEQA because it involves continuing administrative activities, such as general policy and procedure making (Section 15378(b)(2) of the State CEQA Guidelines). In addition, the proposed action is not subject to CEQA because it involves government fiscal activities, which do not involve any commitment to any specific project that may result in a potentially significant physical impact on

the environment (Section 15378(b)(4) of the State CEQA Guidelines). In addition, where it can be seen with certainty that there is no possibility that the proposed action in question may have a significant effect on the environment, the proposed action is not subject to CEQA (Section 15061(b)(3) of the State CEQA Guidelines).

The CEQA determination is: Determine that the proposed action is not subject to CEQA pursuant to Sections 15378(b)(2), 15378(b)(4), and 15061(b)(3) of the State CEQA Guidelines.

**Staff Recommendation**
