November 20, 2007 Board Meeting

---

**8-6**

## **Subject**

---

Hearing on adoption of resolution of necessity directing the General Counsel to condemn interests in real property required for the Perris Valley Pipeline Project in Riverside County, identified by Riverside County Assessor's Parcel No. 294-180-013, Metropolitan's Parcel Nos. PEVAL1-01-700PEA1 and PEVAL1-01-700TEA1, and owners' names, Randy Zimmer and Norma Zimmer, Trustees [**Two-thirds vote required**]

## **Description**

---

The Perris Valley Pipeline Project is being constructed to deliver treated water from the Henry J. Mills Water Treatment Plant located on Alessandro Boulevard in the city of Riverside, with service connections for Eastern Municipal Water District and Western Municipal Water District of Riverside County. The pipeline is required to serve projected water demands in Riverside County and will also improve operational flexibility and system reliability in this portion of Metropolitan's service area.

The pipeline consists of a 96-inch diameter pipe running approximately 6.5 miles from the Mills plant to an Eastern service connection at Oleander Avenue in the city of Perris. The North Reach of the pipeline from the Mills plant to Cactus Avenue is currently under construction. The South Reach of the pipeline, running from Cactus Avenue to Oleander Avenue, is currently in final design and is scheduled to commence construction in early 2008.

The subject property (Assessor's Parcel No. 294-180-013) is located near the southerly terminus of the pipeline's South Reach and consists of 4 acres of vacant land owned by the Randy and Norma Zimmer Trust. Metropolitan had the property appraised by an independent appraiser, who concluded that this parcel is part of a larger 23-acre property that has been acquired and consolidated by the owners since 1992. The larger parcel is zoned for industrial uses, but no development plans have been submitted at this time.

Metropolitan seeks to acquire permanent and temporary easements across the subject property. The permanent easement (Metropolitan's Parcel No. PEVAL1-01-700PEA1) will be 60 feet wide, encumbering 0.15 acre, and would support the permanent operation and maintenance of the pipeline. The temporary easement (Metropolitan's Parcel No. PEVAL1-01-700TEA1) covers an area totaling 0.6 acre adjacent to the permanent easement and will be needed for construction of the pipeline. The temporary easement has a term of three years.

On August 28, 2007, Metropolitan made an offer to the owners to purchase these easements for the appraised value of \$57,500. Staff is continuing to negotiate with the owners, but no agreement for the voluntary acquisition of the easements has been reached. To ensure that Metropolitan has legal possession of the easements in time for construction, it is necessary to commence eminent domain proceedings.

Prior to filing an eminent domain action, Metropolitan's Board must adopt, by a two-thirds vote of all its members, a resolution of necessity stating: (1) the use for which the property is to be taken; (2) the extent of the property to be taken; (3) the project is necessary; (4) the project is in the public interest; (5) the project is located in the manner most compatible with the greatest public good and the least private injury; (6) the property to be taken is necessary for the project; and (7) an offer to purchase the property for the full appraised value has been made to the owner. The proposed resolution of necessity for the subject property is **Attachment 1**. A description of the easements and map of the property to be encumbered is **Attachment 2** to this letter.

The owners of the subject property were served on October 11, 2007 with a notice that they may appear before the Board of Directors to be heard on the matter of adopting the resolution of necessity.

## Policy

---

Metropolitan Water District Administrative Code Section 8225: Adoption of a Resolution of Necessity  
California Code of Civil Procedure, Title 7, Chapter 4, Article 2: Resolution of Necessity

### California Environmental Quality Act (CEQA)

---

CEQA determination for Option #1:

Pursuant to the provisions of CEQA and the State CEQA Guidelines, Western, acting as the Lead Agency, prepared and processed a Final Environmental Impact Report (Final EIR) for the Perris Valley Pipeline Project (project). The Final EIR was certified and the project was approved by the Lead Agency on December 7, 2005. The Lead Agency also approved the Findings of Fact (findings), the Statements of Overriding Considerations (SOC), and the Mitigation Monitoring and Reporting Program (MMRP). On December 13, 2005, Metropolitan, acting as the Responsible Agency under CEQA, certified that it had reviewed and considered the information in the certified Final EIR and adopted the Lead Agency's findings, SOC, and MMRP.

The environmental effects associated with the design, construction, and operation of the Perris Valley Pipeline Project were evaluated in the Final EIR. The present board action is solely based on adopting the resolution of necessity as related to Parcel Nos. PEVAL1-01-700PEA1 and PEVAL1-01-700TEA1 and not on any changes to the approved Perris Valley Pipeline Project. Hence, the previous environmental documentation taken by the Board in conjunction with the proposed action fully complies with CEQA and the State CEQA Guidelines. Accordingly, no further CEQA documentation is necessary for the Board to act on the proposed action.

The CEQA determination is: Determine that the proposed action has been previously addressed in the certified 2005 Final EIR, the findings, the SOC, and the MMRP, and that no further environmental analysis or documentation is required.

CEQA determination for Option #2:

None required

### Board Options

---

#### Option #1

Adopt the CEQA determination and the resolution of necessity, by a two-thirds vote, directing the General Counsel to commence an eminent domain proceeding to acquire Metropolitan Parcel Nos. PEVAL1-01-700PEA1 and PEVAL1-01-700TEA1.

**Fiscal Impact:** \$57,500 in budgeted and previously appropriated funds, or such other sum as may be awarded by the court through the eminent domain proceedings, and costs of litigating the action

**Business Analysis:** Acquisition of the easements is necessary for construction of the Perris Valley Pipeline.

#### Option #2

Do not adopt the resolution of necessity, but continue negotiations for a voluntary acquisition of the easements.

**Fiscal Impact:** Unknown costs in excess of the appraised value

**Business Analysis:** Under this option, delays in construction of the Perris Valley Pipeline could occur due to the inability to procure the right of way.

**RESOLUTION \_\_\_\_\_**

**A RESOLUTION OF THE BOARD OF DIRECTORS OF  
THE METROPOLITAN WATER DISTRICT OF SOUTHERN CALIFORNIA  
DIRECTING THE CONDEMNATION OF CERTAIN PROPERTY  
SITUATED IN THE COUNTY OF RIVERSIDE  
(PERRIS VALLEY PIPELINE PROJECT)**

**(Parcel Nos. PEVAL1-01-700PEA1 and PEVAL1-01-700TEA1)**

BE IT RESOLVED by the Board of Directors of The Metropolitan Water District of Southern California (the "District").

Section 1. The District's Board hereby finds and determines that the public interest and necessity require, for public use, the construction, operation and maintenance of water conveyance facilities ("Perris Valley Pipeline Project") in the County of Riverside for the transportation and distribution of water for use within the District's boundaries and that certain properties situated in the County of Riverside are necessary therefor.

Section 2. The properties to be acquired for the public use set forth in section 1, above, consist of interests in the parcels of land described in the Exhibits A attached hereto and incorporated herein by reference and shown on the Exhibits B attached hereto and incorporated herein by reference.

Section 3. The District's Board hereby declares its intention to acquire the temporary and permanent easements in the property described in Exhibits A and B attached, by proceedings in eminent domain as authorized by section 141 of the Metropolitan Water District Act (Stats. 1969, Ch. 209, as amended).

Section 4. The District's Board hereby finds and determines that the Perris Valley Pipeline Project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury.

Section 5. The District's Board hereby finds and determines that the permanent and temporary easements described in Exhibits A and B attached hereto are necessary for the Perris Valley Pipeline Project.

Section 6. The District's Board hereby finds and determines that the offer required by Government Code section 7267.2 has been made to the owners of record of the property described in Exhibits A and B, attached hereto.

Section 7. The District's General Counsel is hereby directed to commence proceedings in the Superior Court of California, County of Riverside for the purpose of condemning and acquiring the permanent and temporary easements described in Exhibits A and B attached hereto, and to take such steps as may be necessary to secure an order of court permitting the District to take possession of the easements described in Exhibits A and B attached hereto for the uses and purposes herein described. She is authorized to take such actions and steps as she deems necessary in connection with such proceedings, including the amending of the complaint to reduce the extent of the easements to be acquired so as to reduce the compensation payable in the action where such change could not substantially impair the construction and operation of the public works, and to incur expenses necessary and incidental to the action.

I HEREBY CERTIFY that the foregoing resolution was adopted at the meeting of the Board of Directors of The Metropolitan Water District of Southern California held the 20th day of November, 2007, by vote of two-thirds of all its members, and I further certify that the foregoing is a full, true and correct copy of the resolution.

---

Board Executive Secretary  
The Metropolitan Water District of  
Southern California

**LEGAL DESCRIPTIONS AND MAPS**

**EXHIBIT A**

1. A temporary construction easement for a term of three (3) years commencing on the effective date of an order for possession, in the property described herein as Parcel PEVAL1-01-700TEA1 for the purpose of construction of a water pipeline and related facilities on land other than such parcel, and reserving to the fee owner the right of reasonable access over and across the easement area. The easement area shall be returned to a condition as near as practicable to the condition that existed prior to Metropolitan's construction work, except that Metropolitan shall not restore vegetation to its prior condition.

2. A permanent easement in the property described herein as Parcel PEVAL1-01-700PEA1 for the purpose of constructing, reconstructing, maintaining, operating, enlarging, removing, and replacing a line or lines of pipe at any time, and from time to time, for water transportation, with every appendage or structure necessary or convenient to be installed at any time in connection therewith, and subject to the following conditions:

a. The fee owner shall not change the existing grade or otherwise modify the topography of the property encumbered by this easement without the prior written consent of Metropolitan.

b. No building or other structure, excepting pavement for road use, shall be constructed or maintained upon any portion of the easement.

c. No trees shall be planted within the easement area.

d. The fee owner shall retain the right of access over and across the easement area to the remainder of the property encumbered by this easement, and Metropolitan shall not unreasonably interfere with such right of access.

EXHIBIT A

PEVAL1-01-700PEA1  
Permanent Easement  
Randy and Norma Zimmer  
Trustees  
to MWD

A strip of land, 60 feet wide, lying within the south 108.00 feet of the north half, of the northwest quarter of Section 36, T3S, R4W, SBM, in the City of Perris, County of Riverside, State of California, lying within the land conveyed to the Randy and Norma Zimmer Trust, by Deed recorded November 25, 2002 as Document No. 2002-698124 of Official Records of said County, lying 30 feet on each side of the northerly prolongation of the centerline of Nalini Lane, as shown on Parcel Map No. 11956, on file in book 57, page 20, of Parcel Maps, Records of said County.

The sidelines of said 60 foot strip of land shall be lengthened or shortened so as to terminate southerly on the southerly line of said northwest quarter and northerly on the northerly line of the south 108.00 feet of said northwest quarter.

All as shown on Exhibit B attached hereto and made a part hereof.
