

**Support for SB 283**  
**DeSaulnier, D-Walnut Creek**

**Recycled Water Systems**

**Communication and Legislation Committee**

**9-2**

**April 14, 2009**

# SB 283 Summary

- **Sponsor: Irvine Ranch Water District**
- **Requires California Building Standards Commission to adopt recycled water system standards by July 1, 2010**
- **Grants Commission authority for standards**
  - **Where no other state agency has jurisdiction**
  - **Where state agencies have not acted**

# SB 283 Analysis

- **Plumbing Code currently excludes statewide standards for recycled water systems**
  - **Appendix J not used statewide**
- **Streamlined process improves water supply reliability**
- **Supports increased use of recycled water**
- **Staff will express support for AB283 based on Metropolitan's Recycled Water Principles**
