METROPOLITAN WATER DISTRICT OF SOUTHERN CALIFORNIA

Date: December 7, 2009
To: Business and Finance Committee
From: Brian G. Thomas, Assistant General Manager/Chief Financial Officer
Subject: Treasurer's Monthly Report November 2009

This letter transmits a summary report of investments, cash balances and performance report with total return, and duration comparisons for the end of the current month. A detailed report of investments is filed each month with the Executive Secretary. These reports are required by Section 5114 of the MWD Administrative Code. All of the investments comply with Chapter 5101 of the MWD Administrative Code and the Investment Policy dated June 9, 2009 with the exception of the Lehman corporate notes previously reported to the Board at the September 23, 2008 meeting of the Executive Committee. The Board approved holding these notes, in recognition of market conditions and Lehman's bankruptcy filing, in order to sell these securities in an orderly fashion. Attachment 2a shows the market value of the Lehman corporate notes. Metropolitan has sufficient liquidity to pay for the next six months of expenditures.
