

Administrative Code Amendments Regarding Committee Structure

Legal and Claims Committee

April 12, 2011

Senior Deputy General Counsel Setha Schlang

Additional Change Since 1/11 Meeting on Committee Structure

- Organization and Personnel Committee **becomes** Organization, Personnel and Technology Committee
 - Assumes the tasks related to IT previously with Engineering and Operations Committee

Administrative Code Cleanup

- Correct references in Administrative Code sections relating to real property issues to reflect the real property matters within purview of Real Property and Asset Management Committee
 - Real property matters transferred to this committee from Business and Finance Committee (now Finance and Insurance Committee) in June 2010

Administrative Code Cleanup—Oversight Over Administrative Code

- Former Legal and Human Resources Committee divided into the Legal and Claims Committee and the Organization and Personnel Committee in November 2009
- Former Legal and Human Resources Committee responsible for organization and contents of Administrative Code
- Recommend reinstating responsibility of Legal and Claims Committee over organization and contents of the Administrative Code
