Manages success statistics in pursuing grant funding.

The screenshot displays the eCIVIS Grant Management Tool interface. At the top, the eCIVIS logo is on the left, and navigation links for Home, Grant Management, Grant Research, KnowledgeBase, Reports, and Administration are on the right. A user profile for Bob Becker is visible in the top right corner. Below the navigation bar, the breadcrumb trail shows 'Home / Org Project Dashboard' and a set of utility icons. The main heading is 'Organization Project Dashboard', followed by a note that information pertains to active grants in projects currently 'open' in Grants Network. The dashboard is divided into two main sections: 'Funding Summary' and 'Organization Totals - All Departments'. The 'Funding Summary' table shows the following data:
