

Report on Water Innovation and Technology Showcase

Agriculture and Industry Relations Committee

Item 4-a

May 24, 2016

Sharing Technology with Industry

Creating the Opportunity

- IEA members
- Full day workshop
- SDG&E Energy Innovation Center
- Needs assessment
- Selecting technologies

Technologies Introduced

RO solutions

Distillation

Water quality analysis

UV Disinfection

Results

“Home run!”

- Participants

- CP Kelco, Solar Gard, General Atomics, GKN Aerospace, Solar Turbines, SDG&E, Sempra Utilities, City of San Diego, Consultants

- Feedback

- Overall quality – high
- Valuable and relevant – yes
- Would others benefit – yes
- Attend another event – yes
- Request follow up – yes
