24	2930	Safety and Environmental Services Compliance	Review accounting and administrative controls over hazardous waste and environmental services agreements, hazardous spills and permits management, and employee safety training. Assess programs to ensure safe work practices and adherence to environmental and workplace health and safety regulations and operating policy (D-01). Consider hazardous waste disposal process. Audited 2012 with Less Than Sat opinion.		300	300	280	8,515	WSO	2	4	4	3	5	18	2012	Safety and Environmental Services (2012)
25	7609	Cyber Security/Business Networks	Review adequacy of security controls over Metropolitan's business network systems. The review should also include sensitive data policies; business partner security; social media, mobile device security, and other emerging technologies. Assess the balance between security restrictions and practical needs of security controls. Include penetration testing for BeWaterWise.com, MWDH2O.com, and router gateways in FY2017/18.	250		250	530	8,765	ITG	4	4	3	4	3	18		
26	7104	SDLC - IT Monthly Development Project Meeting	Monitor IT monthly project management meeting hosted by the IT Group Manager.	30	-	30	560	8,795	WSO	3	4	4	4	3	18		
27	2710	Remote Site Administrative Activities/ Company Housing	Review next phase of Company Housing Renovation Program. Perform comprehensive administrative control audits at remote sites (Lake Mathews, Gene Camp, etc.). Review service agreements (e.g. inspections, landscaping), timekeeping, and policy compliance. Audit will include review of company housing (program administration, verification of rent charges, and compliance with operating procedures).		250	250	560	9,045	WSO	3	4	2	4	4	17	2015	
28	4530	Temporary Workers	Review controls and monitoring activities related to agency agreements for temporary workers used to manage peak workloads, etc. Ensure post-Cargill routines are established and functional. Currently Metropolitan has 16 agency temp contracts and 2 supplemental labor (crafts and trades) contracts.		325	325	560	9,370	HR	3	3	4	3	2	15		
29	2050	Capital Projects less than \$400,000	Review controls over smaller capital projects (project management, contract compliance, remittances, Board reporting). The Minor Cap program (\$3.5 million in 2010/11) is authorized to enable staff to expedite smaller, unscheduled capital projects with rapid response. Audited 2012 with Less Than Satisfactory rating. Performing follow-up in 2014.		600	600	560	9,970	ESG	3	4	3	3	3	16	2014	
30	3000	Real Property (excluding Delta Islands)	Review risks and controls over the management of property leases, easements, entry permits, licenses, and property acquisition and disposal. Include receivables management and collection of lease income and sale of surplus property. REPortfolio, Metropolitan's new property management system, being implemented in FY 2014/15. Also review hosting vendors SSAE-16 documents to ensure adequacy of controls at vendor information technology facility.		400	400	560	10,370	RP	3	3	3	3	2	14	2011	Riverside County Regional Park in process as of 5/15/18. Real Property Recordation Program -ESG (2010); Property Leases (2010).
31	2935	Security and Emergency Management	Review activities of the Security Management Unit including physical security function at CRA, water treatment plants, distribution system and headquarters (last audited 2008). Refer to Operating Policy E-01. <b>Review Union Station Security and offsite security processes.</b>		500	500	560	10,870	WSO	2	3	3	3	1	12	2016	Physical Security Management - Colorado River Aqueduct and Pumping Plants (2011); Union Station & DVL (NM 2016).

Hydroelectric Power agreements 3/2015. Power Reliability & Energy Conservation 15381 in process as of 5/2016.
64	1091	Self-Insurance Fund	Review risk management of self-insurance fund; compliance with policies; cost accumulation and reporting.		200	200	2,525	17,925	CFO	3	3	4	2	2	14		In process as of 5/15/18.
65	4060	Employee Tuition Reimbursement Program	Review controls over the Program; test reimbursements for compliance with policies (Operating Policy J-01).		200	200	2,525	18,125	HR	3	3	3	3	2	14	2006	

No.	Team Mate #	Audit Projects	Audit Project Description	Hours			Cum. IT Hours	Cum. Fin. Hours	Org.	Risk Levels 1 = Low; 5 = High					Total Risk points	Recent Audits	Recent Audits
				IT	Finance	Total				Finance.	Political	Legal/Reg	Operate.	Auditor Judgm.			
66	1731	Purchasing - Professional Services Contracting Process	Evaluate administrative controls by testing compliance with the contracting requirements of procurement policies and procedures for soliciting proposals or qualifications, vendor evaluation, contract award and contract close-out. Identify operational inefficiencies. May also include controls over vendor and contract records in the Oracle Procurement Database.		200	200	2,525	18,325	BTG	2	3	3	4	2	14	2017	Purchasing - Professional Services Contracting (2017). Gen Sat issued by LR on 2/5/18
67	3020	External Affairs Activities	Review the administration and selected functions within the External Affairs Group, including legislative services; advertising; conservation and community services programs; media services; education and outreach programs. Website design and implementation - content control, cost analysis & timeline assessment.		200	200	2,525	18,525	EA	3	5	3	2	1	14	2017	Quigley-Simpson & Heppelwhite, Inc. (151967) (2017); Fraser Comm. 5/2015; Harvey Mudd, Jan Fambro, & Specialized Marketing Service 1/2015; Community Partnering and California Friendly Landscape Program (2014)
68	3022	Inspection Trips	Review controls related to expenditures, cost accumulation and reporting of Inspection Trips, which are offered to directors and guests. In FY 2012/13, 63 director-sponsored inspection trips were provided with approximately 2,400 participants.		200	200	2,525	18,725	GM	2	4	4	3	1	14	2015	Management request (CG- 8/2015, 2012)
69	1730	Purchasing - Materials and Non-Professional	Review the controls over the requisition, bidding, and purchasing of materials and supplies of non-professional (e.g. janitorial work or landscape maintenance services) and non-construction purchasing activities (including blanket orders, supplier agreements, vendor master file controls, etc.). Use data analytics (100% population testing) in such areas to identify price discrepancies among treatment plants.		200	200	2,525	18,925	BTG	3	3	2	3	3	14	2016	Purchasing (non-professional services and purchase requisitions) (2010); Eurest Dining Services (2008); Materials and Non-Professional Services (LR 2016)
70	4000	Employee benefits	Review controls over various benefit plans, including 401K and 457, Cobra Plan, retirement counseling, professional development, and leave claims. Also includes compliance with program and MOU provisions. CalPERS performed health care eligibility audit in 2013 and is planning additional eligibility verification in 2014.		200	200	2,525	19,125	HR	2	3	4	3	2	14	2011	Possible using CAAT for next audits
71	3010	Surplus Equipment and Personal Property	Review the controls and procedures over the retirement and disposal of surplus equipment and property. Test compliance with Operating Policy F-02. Metropolitan retired \$4.3 million over 26 months during last audit and generated \$0.4 million cash proceeds. Consider compliance with E-waste regulations.		200	200	2,525	19,325	BTG	2	4	2	2	4	14	2014	Surplus Equipment and Property (2014); Surplus Personal Property (2010); Inland Feeder's Salvaged Equipment (2009)
72	1092	Water Rate Stabilization fund	Review fund administration and reporting along with compliance with provisions of Administrative Code.		200	200	2,525	19,525	CFO	4	3	2	2	3	14	2007	
73	2910	Mussel Control Program	Assess Quagga Mussel containment programs in Lakes Mathews, Skinner, Copper Basin and Gene Wash, along the CRA and the SWP. Assess boat inspection programs at DVL and Lake Skinner. Major O&M project. Verify chlorine costs are decreasing due to less dependence on CRA.		200	200	2,525	19,725	WSO	1	2	2	5	4	14	2009	
74	7604	Software Licensing Tracking and Purchases	Review IT controls and policies related to desktop software licensing, copyright compliance, and software acquisition.	200		200	2,725	19,925	BTG	3	3	4	3	1	14		

No.	Team Mate #	Audit Projects	Audit Project Description	Hours			Cum. IT Hours	Cum. Fin. Hours	Org.	Risk Levels 1 = Low; 5 = High					Total Risk points	Recent Audits	Recent Audits
				IT	Finance	Total				Finance.	Political	Legal/Reg	Operate.	Auditor Judgm.			
75	7001	Accounts Payable (AP) Imaging	Review the recently deployed front-end app for the Oracle Accounts Payable system. Review accuracy of automated inputs for invoices from MWD vendors. Verify consistency and efficiency of the optical character recognition (OCR) technology. Evaluate cost benefits of the implementation as stated in the project documents (request for proposal, consultant contracts, etc.)	200		200	2,925	20,125	ITG/CFO	4	2	2	4	2	14		
76	7715	Mobile Device Management and Security Controls	Review mobile device security controls (AirWatch) to ensure adequacy of security controls over the subscribed mobile filtering services. InfoSec has 150 licenses and 50+ were installed with management's mobile devices for approval process including Worktech and purchase requests.	200		200	3,125	20,325	BTG	2	3	2	3	4	14		
77	7362	Oracle PAGM System	Review application controls for the Oracle Project Accounting and Grant management (PAGM), a pre-processor of the Oracle General Ledger System. The application controls include input, processing, output, access security, data backup and recovery, change management, and balancing between GL and Oracle subsystems.	200		200	3,325	20,525	BTG	4	2	5	2	1	14		
78	7505	Budget Management System	Review application controls for the Budget Management System. The application controls include reporting, access security, data backup and recovery, data retention requirements, change management, and disaster recovery preparedness.	200		200	3,525	20,725	CFO	3	2	2	4	3	14		
79	7709	Wi-Fi Security	Review security configurations over the MWD's Wi-Fi access. Review encryption methodologies and prevention of data leakage. Verify adequacy of audit trail for devices that utilize MWD's Wi-Fi networks. Also, consider balance between security and user experience/ease of use (cost benefit of additional controls).	200		200	3,725	20,925	ITG	3	3	2	3	3	14		
80	1510	Interest Rate Swap Program	Evaluate controls over the Swap Program, including program administration and reporting, and compliance with terms and conditions of swap agreement. Verify financial records and Board reporting and assess compliance with GASB Statement 53. Consider external auditor coverage.		200	200	3,725	21,125	CFO	3	3	3	2	2	13	2012	Interest Rate Swap Program (2012)
81	4533	Operating Policies	Assist management with risk assessment and process for updating operating policies. As part of governance efforts, conduct reviews related to policy roll-out and training.		50	50	3,725	21,175	COO	3	3	3	3	1	13	2012	
82	2922	WECC Reliability Compliance	Review controls over administration and maintenance activities.		50	50	3,725	21,225	WSO	3	4	5	5	3	20	recurring	
83	5020	Ethics Office	Assess the risks and controls related to ethics program activities, including policies and practices; assess compliance with applicable regulatory requirements and Operating Policy E-05.		300	300	3,725	21,525	Ethics	3	5	5	5	5	23	2007	
84	5555	Quarterly Financial Analysis	Review and analyze Metropolitan's financial performance; prepare executive level summary of trends and variances of key items.		300	300	3,725	21,825	CFO	5	5	2	5	5	22	2011	Perhaps an audit due to higher risks

No.	Team Mate #	Audit Projects	Audit Project Description	Hours			Cum. IT Hours	Cum. Fin. Hours	Org.	Risk Levels 1 = Low; 5 = High					Total Risk points	Recent Audits	Recent Audits
				IT	Finance	Total				Finance.	Political	Legal/Reg	Operate.	Auditor Judgm.			
85	7708	TeamMate Maintenance	Provide technical support for TeamMate and other PC related issues within the Audit Department.	250		250	3,975	22,075	AUD	4	4	4	4	4	20		
86	4500	EEO Program	Review policies, controls and processes related to EEO activities, including training, policies and procedures, and regulatory compliance including EEO related reports.		200	200	3,975	22,275	HR	2	4	3	1	3	13		
87	1280	Water Inventory and Cost of Water	Review controls related to administration, recording and reporting processes of water inventory and cost of water (\$93 million asset as of 4/12). Area of focus for external auditors.		200	200	3,975	22,475	WSO/CFO	4	1	1	4	3	13	2012	Water Inventory and Cost of Water (2012)
88	7205	SDLC - Enterprise Content Management System	Monitor development and implementation of the application system. Attend steering committee meetings.	25		25	4,000	22,500	ITG	4	2	2	4	1	13		
89	7005	Social Media	Assess information technology controls over information security and data protection including employee owned devices including smartphones and tablets. A MWD social media policy was published in January 2017 by GM.	200		200	4,200	22,700	EA/ITG/ Legal	2	4	4	2	1	13		
90	7404	MAXIMO	Review application controls over Maximo system including the recently implemented hand held devices; interfaces with Oracle labor and inventory modules; and a new module called condition based preventive maintenance. Other application controls reviewed may include input, processing, output, work order scheduling, access security, data backup and recovery, data retention requirements, change management, and disaster recovery preparedness.	200		200	4,400	22,900	ITG/WSO	3	3	1	4	2	13		
91	7411	Board Document Management System	Perform audit risk assessment along with development in this area. Board Document Management System (BDMS) is a software used to prepare board meeting related documents. MGO area of focus.  Review application controls including workflow, system reliability, access controls, report routing process, record retention, and backup and restore process.  BDMS utilizes SharePoint workflow to streamline the Board Letter preparation process. The system facilitates a Board Letter from authoring to finally being approved and published to the Board Agenda. At any given time, there are dozens of documents routing among the responsible people. BDMS is the application to keep track of them and make assure they are complete before going to the Board.	200		200	4,600	23,100	ITG	3	2	3	2	3	13		
92	7403	Nautilus LIMS	Review application controls over the Nautilus LIMS. The application controls include reporting, access security, data backup and recovery, data retention requirements, change management, and disaster recovery preparedness and readiness.	200		200	4,800	23,300	WSO/ITG	3	2	4	4	4	17

94	7501	PeopleSoft Human Resources	Review application controls over the PeopleSoft HR System. The application controls include input, processing, output, access security, data backup and recovery, data retention requirements, change management, and disaster recovery preparedness and readiness.	200		200	5,000	23,900	HR	1	2	4	4	2	13		
95	4010	Employee Training Programs	Assess controls over program activities including training requisition and approval process, administration and reporting practices, external training agreements and payments, compliance with policies (Operating Policy J-05) and certification requirements including in-house training programs.		200	200	5,000	24,100	HR/WSO	3	2	2	4	1	12	2015	Employee Training - Organization, Development, & Training (FS 9/2015); Employee Training and Development Program (2009);
96	7610	Web Platform/Infrastructure	Review the web configurations including infrastructure, network, DMZ, and security controls. Review adequacy of policies and procedures for web content management and incident handling for potential hacking/intrusions. The web infrastructure has had a major re-design which is targeted for completion by summer 2015. Audited in 2016		300	300	5,000	24,400	BTG/EA	3	3	3	2	1	12	2016	In process as of 5/2016.
97	7621	Emergency Response Planning and Exercises (new)	Review adequacy of the Metropolitan's organization, strategy, and planning for response to emergencies caused by natural disasters or other unavoidable circumstances.	300			5,300	24,400	WSO	4	3	3	5	4	19		
98	7617	Information Security Service Account Management (new)	Review the admin and service account management in IT infrastructures and platforms to mitigate potential security vulnerabilities.	200		200	5,500	24,600	ITG	4	3	3	4	3	17		
99	7102	SDLC - SCADA Upgrade Projects (SCADA, AMR, Wadsworth, and RTU Upgrades)	Monitor development controls for the DVL SCADA upgrades.	80		80	5,580	24,680	ITG/WSO/ES G	4	3	2	5	4	18		
100	6032	Governance	Review leading practices in reviewing governance processes and risks in public agencies. Develop framework for evaluating risks related to governance and potential role of Audit Department.		75	75	5,580	24,755	AUD	3	3	4	3	4	17	2017	
101	7201	SDLC Enterprise Content Management System	Monitor deployment of new content management system.	20		20	5,600	24,775	ITG	3	3	4	4	4	18		

No.	Team Mate #	Audit Projects	Audit Project Description	Hours			Cum. IT Hours	Cum. Fin. Hours	Org.	Risk Levels 1 = Low; 5 = High					Total Risk points	Recent Audits	Recent Audits
				IT	Finance	Total				Finance.	Political	Legal/Reg	Operate.	Auditor Judgm.			
102	7364	Real Property Lease Tracking System	Review application controls for input, processing, output and interface with Oracle. Review security access, data backup and recovery, data retention, change management, and disaster recovery procedures.	200		200	5,800	24,975		4	2	4	4	4	18		
103	5022	Improper acceptance of gifts	Review leading practices and assess Metropolitan's current framework regarding the improper acceptance of gifts, gratuities and/ or facilitating payments. Consider current policies, procedures, and training activities (including Operating Policy C-23 "Employee Discounts From Vendors"; Operating Policy E-05 "Reporting Fraud and Misconduct" and Operating Policy H-03 "Ethics Policy".)		150	150	5,800	25,125	ESG/WSO/B TG	2	3	3	2	2	12		
104	1030	Accounts Payable and Disbursements	Review controls over A/P and payment process and test compliance with established procedures. Review controls over petty cash; emergency cash funds and disbursements; wire transfers and checks. Evaluate controls over vendor and contract records. Evaluate disbursement timing, within approved policy or contractual parameters. Evaluate cash management process effectiveness.		200	200	5,800	25,325	CFO	3	2	2	2	3	12	2017	Accounts Payable and Cash Disbursements (2017; 2011); Accounts Payable (2008)
105	1019	Accounts Receivable and Cash Receipts	Review the accounts receivable process including risks and controls for all types of cash receipts and remittance handling processing (Op. Policy C-09). Test controls and transactions.		200	200	5,800	25,525	CFO	3	3	1	2	3	12	2017	Gen Sat issued 9/29/17 by LT.
106	7361	iExpense Module	Review the application controls for the input, processing, output, and interfaces with Oracle. Review security access, data backup and recovery, data retention requirements, change management, and disaster recovery procedures. Review retention policy for receipts and expense claims. Review procedures over expense reimbursement to see if they can be stream-lined. For example, do original copies of receipts need to be submitted, along with pdf versions? If not, do original receipts need to be retained for a specific period of time?	200		200	6,000	25,725	CFO	5	3	3	3	5	19		
107	1260	Deferred Water Rights	Evaluate accounting and recording (deferred costs and corresponding amortization) and compliance with water rights policies. External auditor area of focus.		200	200	6,000	25,925	CFO	3	1	3	3	2	12	2008	
108	4510	Disability Management/Workers' Compensation Program	Review controls related to compliance with State workers' compensation regulations and Metropolitan procedures (E-11 - "Disability Management/Reasonable Accommodation") including testing, analysis of cost trends, procedures, and accounting treatment. Verify contract compliance with third party administrator. Metropolitan self-insures a portion of workers' compensation liabilities and supplements this with excess insurance coverage.		200	200	6,000	26,125	HR	2	3	3	3	1	12	2014	Worker's Compensation (2014); Workers' Compensation (2009)
109	2510	On-site Recycling Retrofit*	Evaluate controls over program administration, contract compliance, assessment report and reconciliation of financial incentives and funding agreements.  Metropolitan's On-site Retrofit Program provides financial incentives directly to public or private property owners to convert potable water irrigation or industrial water systems to recycled water service. Incentives of up to \$195 per acre-foot for five years of estimated water use are available, with a cap at the actual retrofit costs. Items eligible for incentives include project design; permitting; construction costs associated with the retrofit of potable to recycled water systems; connection fees and required recycled water signage.		300	300	6,000	26,425	WRM	4	5	3	5	4	21		Added for FY 2017/18

No.	Team Mate #	Audit Projects	Audit Project Description	Hours			Cum. IT Hours	Cum. Fin. Hours	Org.	Risk Levels 1 = Low; 5 = High					Total Risk points	Recent Audits	Recent Audits
				IT	Finance	Total				Finance.	Political	Legal/Reg	Operate.	Auditor Judgm.			
110	4030	Employee Memberships	Review controls over approvals, payments, and reporting related to employee memberships.		150	150	6,000	26,575	EA	2	4	3	1	2	12	2004	
111	2340	Joint Venture - San Joaquin Reservoir	Review controls over the selection, administration and monitoring of contractors. Consider controls related to service connection agreements with member agencies (water flows and distribution channels) and controls related to non-member agency agreements for all underground construction for water flow and water regulation.		200	200	6,000	26,775	WSO	2	1	2	4	3	12		
112	1000	Operating Revenue	Review controls over billing and test transactions related to operating revenue, consisting of water sales (\$1.2 Billion); readiness-to-serve charges (\$154 million) and power recoveries (\$21 million) (FY 2013/14 figures). Test the accuracy of invoices and timeliness of collection. Extensively covered by external auditors.		200	200	6,000	26,975	CFO/WSO	4	2	2	3	1	12	2012	Operating Revenue- Water Sales (2012); Revenue Cycle - power, leases, licenses, and entry permits (2009)
113	1736	Records Management	Assess processes and controls related to Metropolitan's paper and electronic records. Include compliance with Operating Policy B-03 "Records Management".		200	200	6,000	27,175	BTG	2	4	3	2	1	12		Digital project SDLC
114	1010	Tax Revenue	Review controls for the calculation, billing, collection and accounting of tax revenues (\$81 million in FY 2013/14). Property tax revenue is billed and collected by counties in service area and used to pay bond debt service. It is classified as non-operating revenue but billed on same monthly invoice.		200	200	6,000	27,375	CFO	4	2	2	1	3	12	2010	Property Tax Revenue (2010).
115	7613	Business Continuity Program	Review business resumption capabilities, plans and programs which facilitate Metropolitan's ability to recover critical business systems in the event of a major regional disaster. Review scope includes business impact analysis, functional exercises for critical MWD business processes, Information Technology business system disaster recovery, and compliance with State and Federal requirements. Review planned employee relocations and temporary responsibilities to resume business operations.	250		250	6,250	27,625	ITG/CFO	3	3	2	3	1	12		
116	7433	Water Conservation System	Review application controls for the Water Conservation System including conservation credit tracking (input, processing, output reporting); access security; data backup and recovery; data retention requirements; change management; and disaster recovery preparedness.	200		200	6,450	27,825	ITG/WSO	3	3	2	3	1	12		
117	2933	Incident Reporting and Management	Review and assess processes and programs related to Operating Policy E-03, Incident Reporting (work related employee accidents or illnesses, loss to Metropolitan equipment, etc.). Focus on efficiency and integrity of reporting processes.		200	200	6,450	28,025	HR	2	4	3	3	5	17		
118	7605	IT Enterprise Risk Management	Review IT Enterprise Risk Management and risk mitigation strategies.	150		150	6,600	28,175	ITG	3	3	3	1	2	12		
119	7369	Water Information System (WINS)	Review accuracy of water billing data and consistency of processing within the Oracle Accounts Receivable System. Review the process of automated/manual credit adjustments to bills. Review additional application controls including input, processing, output, access security, data backup and recovery, data retention requirements, change management, and disaster recovery readiness.	200		200	6,800	28,375	ITG/CFO	5	2	2	2	1	12		

No.	Team Mate #	Audit Projects	Audit Project Description	Hours			Cum. IT Hours	Cum. Fin. Hours	Org.	Risk Levels 1 = Low; 5 = High					Total Risk points	Recent Audits	Recent Audits
