8/20/2019 Board Meeting

8-1

## Subject

---

Adopt resolution establishing the tax rate for fiscal year 2019/20; the General Manager has determined that the proposed action is exempt or otherwise not subject to CEQA

## Executive Summary

---

Every year, Metropolitan receives the certified assessed valuation from the county auditors for the six counties where Metropolitan provides water service. All county auditors have until the 15<sup>th</sup> day of August to provide the certified assessed valuation to Metropolitan, which is why Metropolitan's Board adjourns its August regular and committee meetings to the third week of the month. This year, Metropolitan received the last of the counties' information on August 12, 2019. On or before the 20<sup>th</sup> day of August, Metropolitan's Board is required to determine, based on the information received, the amount of money necessary to be raised by taxation during the fiscal year and fix the ad valorem property tax rates. This letter recommends continuing the ad valorem property tax rate at the existing rate of .0035 percent for fiscal year (FY) 2019/20.

Continuing an ad valorem property tax rate for FY 2019/20 at the existing rate of .0035 percent would generate tax revenues for Metropolitan to pay the annual debt service on its general obligation bonds and a portion of its obligations under its State Water Contract (SWC). Section 124.5 of the Metropolitan Water District Act (MWD Act) limits property tax collections to the amount necessary to pay the total annual debt service on Metropolitan's general obligation bonds and a portion of its SWC payment obligation, limited to the preexisting debt service on state general obligation bonds (Burns-Porter bonds) used to finance construction of State Water Project (SWP) facilities for the benefit of Metropolitan. However, Metropolitan may suspend that limitation if, following a public hearing, the Board finds that doing so is essential to the fiscal integrity of the District. The Board held a public hearing on March 13, 2018, and on April 10, 2018, the Board suspended the limitation for FYs 2018/19 and 2019/20. Thus, the Board may continue the ad valorem property tax rate at the existing rate to pay for its SWC obligations beyond the limitations set in Section 124.5.

The Board has adopted a biennial budget for the current biennial period of FYs 2018/19 and 2019/20, and has also adopted rates and charges for the current Calendar Year (CY) 2019 and upcoming CY 2020, based on the assumption that the ad valorem property tax rate would continue during the entire biennial period at the existing rate of .0035 percent. On August 20, 2018, the Board established the tax rate for FY 2018/19 at .0035 percent. At the Board's regular August meeting, the Board will consider whether to maintain the existing rate for FY 2019/20. If the tax rate is not maintained, then overall water rates and charges would need to be increased by approximately 6 percent for the fiscal year over and above the approved overall rate increase of 3 percent.

## Details

---

Metropolitan has assessed ad valorem property taxes in its service area since its inception. Metropolitan has constitutional and statutory authority, as well as voter authorization, to collect revenues through ad valorem taxes assessed on real property within its service territory. Pursuant to Section 305 of the MWD Act, each fiscal year Metropolitan applies the board-determined tax rate to the certified assessed valuations received from the county auditors for the six counties that include portions of Metropolitan's service area to produce the gross tax levy.

This letter proposes that the Board: (a) adopt the resolution confirming the combined rate of ad valorem property taxation for FY 2019/20 at the existing rate of .0035 percent of assessed valuation and applying the .0035 percent tax rate to the certified assessed valuation, and (b) direct staff to transmit the resolution to county auditors. The tax rate computations and the tax rate schedules supporting the rate of .0035 percent, based upon assessed valuations of property taxable by Metropolitan, are provided in **Attachment 1**, Resolution Levying Ad Valorem Property Taxes for the Fiscal Year Commencing July 1, 2019 and Ending June 30, 2020 for the Purposes of The Metropolitan Water District of Southern California (Option 1). The continuation of the ad valorem property tax rate at the existing rate of .0035 percent would generate tax revenues for Metropolitan to pay the annual debt service on its general obligation bonds and a portion of its obligations under its SWC.

Section 124.5 of the MWD Act limits property tax collections to the amount necessary to pay the total annual debt service on Metropolitan's general obligation bonds and only a portion of its SWC payment obligation, limited to the preexisting debt service on state general obligation bonds (Burns-Porter bonds) used to finance construction of SWP facilities for the benefit of Metropolitan. However, Metropolitan may suspend that limitation if, following a public hearing, the Board finds that doing so is essential to the fiscal integrity of the District.

The Board held a public hearing on March 13, 2018, and on April 10, 2018, suspended the limitation for FYs 2018/19 and 2019/20 through Resolution 9237, in which the Board:

1. Found and determined that a tax rate in excess of the restriction set out in Section 124.5 of the MWD Act is essential to the fiscal integrity of Metropolitan; and
2. Resolved and determined that the tax rate restriction in Section 124.5 of the MWD Act is suspended for the limited purpose of allowing the Board in its discretion to continue the ad valorem property tax rate for FYs 2018/19 and 2019/20 at the tax rate levied in FY 2017/18 (.0035 percent of assessed valuation, excluding annexation levies); and
3. Waived compliance with Section 4301(b) of Metropolitan's Administrative Code for any tax levy that utilizes the April 2018 suspension of Section 124.5 of the MWD Act.

The Board considered material available at <http://mwdh2o.com/WhoWeAre/Pages/FYs-2018-19-2019-20-proposed-property-tax-rates.aspx>, in connection with its vote.

The Board has suspended the Section 124.5 limitation, finding that it is essential to Metropolitan's fiscal integrity to maintain a fixed source of revenue. Under Section 124.5's restriction, the ad valorem property tax rate has been decreasing, and will continue to decrease, as the bonds are paid off. In the meantime, Metropolitan's SWC obligations have been increasing and will continue to increase. For example, the state is expecting substantial costs associated with repair and replacement of the 50-year-old SWP infrastructure. A significant portion of Metropolitan's SWC costs are fixed charges that must be paid regardless of the volume of water Metropolitan receives from the SWP. It is appropriate and fiscally prudent to pay such fixed costs from fixed, rather than volumetric, revenues to the extent possible.

Following the Board's suspension of the Section 124.5 limitation for FYs 2018/19 and 2019/20, the Board may continue the ad valorem property tax rate at the existing rate to pay for its SWC obligations beyond the limitations set in Section 124.5.

At the April 10, 2018 meeting, the Board adopted the biennial budget for FYs 2018/19 and 2019/20, water rates for CYs 2019 and 2020, and charges for CY 2019. On April 9, 2019, the Board adopted charges for CY 2020. Each of these actions was based on the assumption that the ad valorem property tax rate would continue in FYs 2018/19 and 2019/20 at the existing rate of .0035 percent. Staff proposes that the Board maintain the .0035 percent rate for ad valorem property taxes in FY 2019/20. Updated financial material for FY 2019/20 is available at <http://mwdh2o.com/WhoWeAre/Pages/FY-2019-20-proposed-property-tax-rate.aspx>.

If the tax rate is not maintained through the approval of the proposed resolution, then overall water rates and charges would need to be increased by approximately 6 percent for the fiscal year over and above the approved overall rate increase of 3 percent. Instead, continuing the ad valorem property tax rate at a rate of .0035 percent would maintain a modest portion of Metropolitan's revenues on the tax roll. At the existing rate, a property with a \$400,000 assessed valuation in Metropolitan's service area currently pays about \$14 a year in ad valorem property taxes towards Metropolitan's costs. Importantly, maintaining the ad valorem tax revenues helps mitigate

future rate increases that would be needed to make up for the loss of tax revenues. By helping mitigate future rate increases, this action provides Metropolitan's Board with flexibility as it considers funding for programs such as ongoing needed repair and replacement work; conservation, recycling and reclamation projects; groundwater clean-up efforts; environmental mitigation work; the impacts of climate change; and the many other costs associated with ensuring safe and reliable delivery of water supply for Southern California.

If the Board does not maintain the existing .0035 percent ad valorem property tax rate, it has the option to adopt a resolution at a different tax rate, direct staff to transmit that resolution to the county auditors for the levy and collection of the tax, and direct staff to set a process to revisit the FY 2019/20 portion of the biennial budget, as well as the water rates and charges for CY 2020, which were adopted based on an assumption that the existing .0035 percent ad valorem property tax rate would continue. **Attachment 2**, Resolution Levying Ad Valorem Property Taxes for the Fiscal Year Commencing July 1, 2019 and Ending June 30, 2020 for the Purposes of The Metropolitan Water District of Southern California (Option 2) supports this option. Staff would report back to the Board at its regular September 2019 meeting on the estimated amounts to be derived from respective areas pursuant to the tax rate adopted by the Board under Option 2, in accordance with the Board's direction.

THE METROPOLITAN WATER  
DISTRICT OF SOUTHERN CALIFORNIA

RESOLUTION 9258

A RESOLUTION LEVYING AD VALOREM PROPERTY TAXES FOR THE FISCAL  
YEAR COMMENCING JULY 1, 2019 AND ENDING JUNE 30, 2020  
FOR THE PURPOSES OF THE METROPOLITAN WATER  
DISTRICT OF SOUTHERN CALIFORNIA

The Board of Directors of The Metropolitan Water District of Southern California, after receiving, considering, and evaluating evidence and all material factors pertaining thereto, including budget requirements and estimated revenues from water rates, charges, and ad valorem property tax rates, finds, determines, and resolves:

Section 1.

RECITALS

Effective Water Rates and Charges for Fiscal Year 2019/20

The Board of Directors fixes water rates and charges on a calendar year basis and adopts its biennial budget and ad valorem property taxes on a fiscal year basis. The Board of Directors, with full review of (1) evidence presented, and (2) all material factors and considerations, adopted water rates and charges for calendar years (CY) 2019 and 2020, which, in the debated, informed and considered discretion of the Board, are in compliance with Section 134 of the Metropolitan Water District Act (the "Act"), in that the Board, so far as practicable, has fixed such rates and charges as will result in revenue which will pay the District's operating expenses, provide for maintenance and repairs, provide for payment of the purchase price or other charges for property or services or other rights acquired by the District, and provide for the payment of the interest and principal of District bonds, notes and other evidences of indebtedness under the applicable provisions of the Act authorizing debt issuance and retirement, assuming the ad valorem property tax rate for fiscal years (FY) 2018/19 and 2019/20 continues at the existing rate of .0035 percent. On August 20, 2018, the Board of Directors established the tax rate for FY 2018/19 at .0035 percent.

Suspension of Ad Valorem Property Tax Limitations

Section 124.5 of the MWD Act limits property tax collections to the amount necessary to pay the total annual debt service on Metropolitan's general obligation bonds and only a portion of its SWC payment obligation, limited to the preexisting debt service on state general obligation bonds (Burns-Porter bonds) used to finance construction of SWP facilities for the benefit of Metropolitan. However, the limitation of Section 124.5 does not apply if, following a public hearing, the Board of Directors finds that collection of tax revenue in excess of that limitation is essential to the fiscal integrity of the District. The Board held the public hearing pursuant to Section 124.5 of the Act on March 13, 2018. On April 10, 2018, the Board adopted Resolution No. 9237, through which the Board:

1. Found and determined that a tax rate in excess of the restriction set out in Section 124.5 of the MWD Act is essential to the fiscal integrity of Metropolitan; and
2. Resolved and determined that the tax rate restriction in Section 124.5 of the MWD Act is suspended for the limited purpose of allowing the Board in its discretion to continue the ad valorem property tax rate for FYs 2018/19 and 2019/20 at the tax rate levied in FY 2017/18 (.0035 percent of assessed valuation, excluding annexation levies); and

3. Waived compliance with Section 4301(b) of Metropolitan's Administrative Code for any tax levy that utilizes the April 2018 suspension of Section 124.5 of the MWD Act.

### FY 2019/20 Ad Valorem Property Tax Levy

In its informed discretion, based upon full review of evidence presented and all material factors and considerations, the Board of Directors determines that the District's revenues for FY 2019/20 from water transactions and sources other than ad valorem property taxes, after payment of the District's operation and maintenance expenses, the payment of the purchase price or other charges for property or services or other rights acquired by the District, the operation, maintenance, power, and replacement charges due under the District's State contract, revenue bond service, deposits to the revenue bond reserve fund, short term revenue certificate (commercial paper note) service, net costs of operating equipment, and net inventory costs during the fiscal year, as well as the maintenance of prudent reserves for unforeseen District expenditures or unforeseen reduction in District revenue, will be insufficient to provide for general obligation bond service and to pay the District's contract obligations to the State for sale and delivery of water. Therefore, the Board levies ad valorem property taxes for FY 2019/20 as provided in this Resolution at sections 4 through 7 and the exhibits attached, sufficient, when taken with other revenues available for the purpose, to meet all of the foregoing obligations and financial requirements, in the amounts and rates set forth in this Resolution and the schedules attached and incorporated therein.

THE METROPOLITAN WATER  
DISTRICT OF SOUTHERN CALIFORNIA

RESOLUTION 9258

A RESOLUTION LEVYING AD VALOREM PROPERTY TAXES FOR THE FISCAL  
YEAR COMMENCING JULY 1, 2019 AND ENDING JUNE 30, 2020  
FOR THE PURPOSES OF THE METROPOLITAN WATER  
DISTRICT OF SOUTHERN CALIFORNIA

The Board of Directors of The Metropolitan Water District of Southern California, after receiving, considering, and evaluating evidence and all material factors pertaining thereto, including budget requirements and estimated revenues from water rates, charges, and ad valorem property tax rates, finds, determines, and resolves:

Section 1.

RECITALS

Effective Water Rates and Charges for Fiscal Year 2019/20

The Board of Directors fixes water rates and charges on a calendar year basis and adopts its biennial budget and ad valorem property taxes on a fiscal year basis. The Board of Directors, with full review of (1) evidence presented, and (2) all material factors and considerations, adopted water rates and charges for calendar years (CY) 2019 and 2020, which, in the debated, informed and considered discretion of the Board, are in compliance with Section 134 of the Metropolitan Water District Act (the "Act"), in that the Board, so far as practicable, has fixed such rates and charges as will result in revenue which will pay the District's operating expenses, provide for maintenance and repairs, provide for payment of the purchase price or other charges for property or services or other rights acquired by the District, and provide for the payment of the interest and principal of District bonds, notes and other evidences of indebtedness under the applicable provisions of the Act authorizing debt issuance and retirement, assuming the ad valorem property tax rate for fiscal years (FY) 2018/19 and 2019/20 continues at the existing rate of .0035 percent. On August 20, 2018, the Board of Directors established the tax rate for FY 2018/19 at .0035 percent.

Suspension of Ad Valorem Property Tax Limitations

Section 124.5 of the MWD Act limits property tax collections to the amount necessary to pay the total annual debt service on Metropolitan's general obligation bonds and only a portion of its SWC payment obligation, limited to the preexisting debt service on state general obligation bonds (Burns-Porter bonds) used to finance construction of SWP facilities for the benefit of Metropolitan. However, the limitation of Section 124.5 does not apply if, following a public hearing, the Board of Directors finds that collection of tax revenue in excess of that limitation is essential to the fiscal integrity of the District. The Board held the public hearing pursuant to Section 124.5 of the Act on March 13, 2018. On April 10, 2018, the Board adopted Resolution No. 9237, through which the Board:

1. Found and determined that a tax rate in excess of the restriction set out in Section 124.5 of the MWD Act is essential to the fiscal integrity of Metropolitan; and
2. Resolved and determined that the tax rate restriction in Section 124.5 of the MWD Act is suspended for the limited purpose of allowing the Board in its discretion to continue the ad valorem property tax rate for FYs 2018/19 and 2019/20 at the tax rate levied in FY 2017/18 (.0035 percent of assessed valuation, excluding annexation levies); and

3. Waived compliance with Section 4301(b) of Metropolitan's Administrative Code for any tax levy that utilizes the April 2018 suspension of Section 124.5 of the MWD Act.

### FY 2019/20 Ad Valorem Property Tax Levy

In its informed discretion, based upon full review of evidence presented and all material factors and considerations, the Board of Directors determines that the District's revenues for FY 2019/20 from water transactions and sources other than ad valorem property taxes, after payment of the District's operation and maintenance expenses, the payment of the purchase price or other charges for property or services or other rights acquired by the District, the operation, maintenance, power, and replacement charges due under the District's State contract, revenue bond service, deposits to the revenue bond reserve fund, short term revenue certificate (commercial paper note) service, net costs of operating equipment, and net inventory costs during the fiscal year, as well as the maintenance of prudent reserves for unforeseen District expenditures or unforeseen reduction in District revenue, will be insufficient to provide for general obligation bond service and to pay the District's contract obligations to the State for sale and delivery of water. Therefore, the Board levies ad valorem property taxes for FY 2019/20 as provided in this Resolution at sections 4 through 7 and the exhibits attached, sufficient, when taken with other revenues available for the purpose, to meet all of the foregoing obligations and financial requirements, in the amounts and rates set forth in this Resolution and the schedules attached and incorporated therein.
