## Subject

---

Adopt Twenty-Third Supplemental Resolution to the Master Revenue Bond Resolution authorizing the issuance of up to \$270 million of Water Revenue Bonds, 2020 Series; and approve expenditures to fund the costs of issuance of the Bonds of approximately \$2 million; the General Manager has determined that the proposed action is exempt or otherwise not subject to CEQA

## Executive Summary

---

The Twenty-Third Supplemental Resolution to the Master Revenue Bond Resolution (the Twenty-Third Supplemental Resolution) in **Attachment 1** would authorize the issuance of up to \$270 million of Water Revenue Bonds, 2020 Series (Bonds), including approximately \$2 million to fund the costs of issuance of the Bonds. In April 2018, the Board adopted the proposed biennial budget for fiscal years (FYs) 2018/19 and 2019/20 (FYs 2018/19 and 2019/20 Biennial Budget), which included a capital investment plan projecting annual capital expenditures of \$200 million per year for FYs 2018/19 and 2019/20. In September 2019, a mid-cycle Biennial Budget Review (Biennial Budget Review) was provided to the Board. The Biennial Budget Review provided a projection of capital expenditures for FY 2019/20 that was approximately \$100 million more than the FY 2019/20 budget, or \$300 million. The \$270 million in bond proceeds would fund most of the projected capital expenditures for FY 2019/20 and all or a portion of the costs of issuance of the bonds, consistent with the Biennial Budget Review.

### Background

This letter proposes that the Board authorize the issuance of up to \$270 million in Water Revenue Bonds, 2020 Series. The issuance of up to \$270 million is proposed under the remaining authority of Ordinance No. 150, which was adopted by the Board on June 13, 2017. Of the \$400 million of authority under Ordinance No. 150, \$43.3 million was utilized for the issuance of Metropolitan's Subordinate Water Revenue Bonds, 2017 Series C, and \$64.345 million was utilized for the issuance of Metropolitan's Subordinate Water Revenue Bonds, 2018 Series B. The proposed financing would use up to \$270 million of the remaining \$292.4 million authorized by Ordinance No. 150.

If authorized, the bonds are expected to be issued in one or more series. Annual debt service on \$270 million is estimated to be approximately \$14.0 million per year. The costs of issuance, estimated to not exceed \$2 million, would be funded from bond proceeds or Metropolitan funds.

### Use of Proceeds

The proceeds from the sale of bonds under the Twenty-Third Supplemental Resolution would be used to pay for capital expenditures, as provided in the Biennial Budget Review. Funding a portion of capital expenditures with revenue bonds instead of exclusively using operating revenues is consistent with sound financial policy and provides flexibility to finance a portion of board-approved capital expenditures. The capital expenditure funding for FY 2019/20 as presented in the Biennial Budget Review, and shown in *Figure 1* below, consists of \$30 million from operating revenues and \$270 million from revenue bonds.

**Figure 1: Capital Expenditures, FY 2019/20 Biennial Budget Review (operating revenues = PAYGO)<sup>1</sup>**

The capital expenditures in the FYs 2018/19 and 2019/20 Biennial Budget were set at 80 percent of Engineering Service’s planned spending, or \$200 million in each fiscal year. The capital expenditure funding as presented in the FYs 2018/19 and 2019/20 Biennial Budget consisted of \$120 million from operating revenues and \$80 million from revenue bonds for each fiscal year, or 60 percent from operating revenues and 40 percent from bonds.

Based on the Biennial Budget Review projections, capital expenditures for FY 2019/20 are forecasted at \$300 million, \$100 million higher than the amount included in the FYs 2018/19 and 2019/20 Biennial Budget. In October 2018, the Board amended the Administrative Code to streamline the process of appropriating for capital projects, which in turn has expedited capital project expenditures. The overall result has been an expedited process to complete design work and award construction contracts, which accounts for the additional \$100 million in projected capital expenditures for FY 2019/20.

To maintain financial reserves, Metropolitan proposed to adjust the planned capital financing for FY 2019/20 while still using a combination of operating revenues and bond funds. This adjustment from the planned capital financing in the current biennial budget is a result of lower operating revenues and the anticipated acceleration of \$100 million in planned capital expenditures. This means that \$30 million of capital expenditures would be funded from operating revenues and \$270 million would be funded from bond funds, or 10 percent from operating revenues and 90 percent from bonds. The use of bonds to fund \$270 million of capital expenditures will conserve reserves that may be necessary to buffer changes to revenues and expenditures and to mitigate future rate increases.

Metropolitan has executed a \$200 million Short-Term Revolving Credit Facility under which Metropolitan may borrow from time-to-time. Funds drawn under the Short-Term Revolving Credit Facility may be used for any

<sup>1</sup>Mid-cycle Biennial Budget Review, Item 9-2, Finance & Insurance Committee, September 10, 2019, page 4.

lawful purpose. A draw of \$100 million was made on this facility in October 2019 to fund capital expenditures. The draw is expected to be repaid with proceeds from the sale of the Bonds.

In July 2019, the Board adopted a resolution authorizing the reimbursement of capital expenditures from bond proceeds for FYs 2018/19 and 2019/20. This resolution allows Metropolitan to issue bonds in FY 2019/20 and reimburse any operating revenues used to pay for capital expenditures from May 10, 2019 (60 days prior to the adoption of the reimbursement resolution) forward. Metropolitan plans to reimburse operating revenues used for capital expenditures since July 1, 2019.

Bond financing increases Metropolitan's flexibility to finance capital expenditures that carry out Metropolitan's purposes by using revenue bond proceeds, rather than operating revenues or financial reserves. Consistent with past board practice, the Twenty-Third Supplemental Resolution establishes an Ad Hoc Committee of the Board with authority to determine the final principal amount and the terms and conditions of each sale of bonds. The Ad Hoc Committee consists of the Chairman of the Board, the Chairman of the Finance and Insurance Committee, and the General Manager.

## **California Environmental Quality Act (CEQA)**

---

### **CEQA determination for Option #1:**

The proposed action is not defined as a project under CEQA (Public Resources Code Section 21065, State CEQA Guidelines Section 15378) because the proposed action will not cause either a direct physical change in the environment or a reasonably foreseeable indirect physical change in the environment and involves continuing administrative activities, such as general policy and procedure making (Section 15378(b)(2) of the State CEQA Guidelines). In addition, the proposed action is not defined as a project under CEQA because it involves the creation of government funding mechanisms or other government fiscal activities, which do not involve any commitment to any specific project which may result in a potentially significant physical impact on the environment (Section 15378(b)(4) of the State CEQA Guidelines). Finally, it can be seen with certainty that there is no possibility that the proposed action in question may have a significant effect on the environment, therefore the proposed action is not subject to CEQA (Section 15061(b)(3) of the State CEQA Guidelines).

**CEQA determination for Option #2:**

None required

**Board Options****Option #1**

Adopt Twenty-Third Supplemental Resolution to the Master Revenue Bond Resolution authorizing the issuance of up to \$270 million of Water Revenue Bonds, 2020 Series and providing the terms and conditions for the sale and issuance of said Water Revenue Bonds; and approve expenditures to fund the costs of issuance of the Bonds of approximately \$2 million to be paid from bond proceeds or Metropolitan funds.

**Fiscal Impact:** Estimated increase in debt service payments of approximately \$14 million per year for the issuance of up to \$270 million of Water Revenue Bonds, 2020 Series. The estimated increase in debt will be considered in the FYs 2020/21 and 2021/22 Biennial Budget.

**Business Analysis:** Issuance of Water Revenue Bonds, 2020 Series would enable Metropolitan to access capital markets to provide funding for ongoing capital expenditures, consistent with the Biennial Budget Review.

**Option #2**

Do not adopt the Twenty-Third Supplemental Resolution to the Master Revenue Bond Resolution.

**Fiscal Impact:** May miss the opportunity to fund capital expenditures at favorable interest rate levels, thereby resulting in higher debt service costs, lower financial reserves, and/or higher water rates.

**Business Analysis:** Capital market access would be delayed, thereby limiting Metropolitan's options or ability to fund ongoing capital expenditures, and Metropolitan may have to curtail funding capital projects.

Accreted Value on any date other than the dates on which interest is compounded as specified in such Sales Documents shall be calculated by straight line interpolation of the Accreted Value as of the immediately preceding and succeeding dates on which interest is compounded as specified in such Sales Documents.

SECTION 2.04 Place of Payment. Subject to Section 2.08 hereof, for so long as the Treasurer is the Fiscal Agent, the principal or Final Compounded Amount of the Bonds shall be payable in lawful money of the United States of America upon presentation and surrender of such Fixed Rate Bonds at the corporate office of the District. Interest on the 2020 Water Revenue Current Interest Bonds shall be paid by check or draft mailed by first class mail to the persons whose names appear on the registration books of the Fiscal Agent as the registered Owners of such 2020 Water Revenue Current Interest Bonds as of the close of business on the Record Date at such

persons' addresses as they appear on such registration books, except that an Owner of \$1,000,000 or more in principal amount of Fixed Rate Bonds which are Current Interest Bonds may be paid interest by wire transfer to an account in the United States if such Owner makes a written request of the Fiscal Agent at least thirty (30) days preceding any interest payment date specifying the wire transfer instructions for such Owner. Such notice may provide that it will remain in effect for later interest payments until changed or revoked by another written notice. Payments of default interest shall be paid by check, draft or wire transfer to the Owners as of a special record date to be fixed by the Fiscal Agent, notice of which special record date shall be given to the Owners by the Fiscal Agent not less than ten (10) days prior thereto. Principal of and interest on the Variable Rate Bonds shall be payable as provided in the applicable Trust Agreement.

#### SECTION 2.05 Redemption.

(A) Optional Redemption. The Fixed Rate Bonds of any Series shall be subject to call and redemption prior to maturity, at the option of the District, in the amounts, at the redemption prices and on the dates set forth in the Sales Documents with respect to such Series. The Variable Rate Bonds of any Series shall be subject to call or redemption as provided in the Trust Agreement with respect to such Series.

(B) Mandatory Sinking Account Payments. The Term Bonds of any Series, if any, shall be called before maturity and redeemed at a redemption price equal to the par amount thereof from Mandatory Sinking Account Payments with respect to such Series which have been deposited in the Bond Service Fund, in the amounts and upon the dates established for each such maturity, as set forth in the Sales Documents or Trust Agreement, as the case may be, with respect to such Series.

(C) Disposition of Redemption Rights. The Sales Documents applicable to a Series of 2020 Water Revenue Bonds may contain provisions with respect to the sale or disposition of the right of the District to redeem any 2020 Water Revenue Bonds of such Series.

(D) Conditional Notice of Redemption. In addition to the notice requirements for redemption included in the Master Resolution, each such notice may also state that the proposed redemption is conditioned on there being on deposit in the applicable fund or account on the Redemption Date sufficient money to pay the full Redemption Price of the Bonds to be redeemed. Upon deposit of sufficient money to pay the full Redemption Price and provision of irrevocable instructions to the Fiscal Agent or Paying Agent to apply such money to the payment of the Redemption Price and interest with respect to the 2020 Water Revenue Bonds to be redeemed, all liability of the District in respect of such 2020 Water Revenue Bonds shall be discharged as provided in Section 9.02 of the Master Resolution.

SECTION 2.06 Form of 2020 Water Revenue Bonds. Except as otherwise provided in the applicable Sales Documents, the 2020 Water Revenue Current Interest Bonds and 2020 Water Revenue Capital Appreciation Bonds of each Series that are Fixed Rate Bonds shall be issued in substantially the form set forth in Exhibit A1 and Exhibit A2, respectively, which exhibits are incorporated herein by this reference as if set forth in full. The Variable Rate Bonds of each Series shall be issued in substantially the form set forth in the Trust Agreement relating to such Series of 2020 Water Revenue Bonds.

SECTION 2.07 CUSIP Identification Numbers. CUSIP identification numbers shall be ordered by the Underwriters and caused by the District to be printed on the 2020 Water Revenue Bonds, but such numbers shall not be deemed a part of the 2020 Water Revenue Bonds or a part of the contract evidenced thereby and no liability shall attach to the District or its officers, employees or agents because of or on account of such CUSIP identification numbers.

SECTION 2.08 Book-Entry System. Except as otherwise provided in the Trust Agreement with respect to Variable Rate Bonds of any Series, the 2020 Water Revenue Bonds shall be initially issued in the form of a single (unless more than a single 2020 Water Revenue Bond is required by the Securities Depository), separate, fully registered 2020 Water Revenue Bond (which may be typewritten) for each of the maturities of the 2020 Water Revenue Bonds. Upon initial issuance, the ownership of each such 2020 Water Revenue Bond shall be registered in the Bond Register of the Fiscal Agent in the name of the Nominee of the Securities Depository. Except as provided in Section 2.10 hereof, the ownership of each Outstanding 2020 Water Revenue Bond shall be registered in the Bond Register of the Fiscal Agent in the name of the Nominee.

With respect to the 2020 Water Revenue Bonds registered in the Bond Register of the Fiscal Agent in the name of the Nominee, the District and the Fiscal Agent shall have no responsibility or obligation to any Participant or to any person on behalf of which a Participant holds an interest in the 2020 Water Revenue Bonds. Without limiting the immediately preceding sentence, the District and the Fiscal Agent shall have no responsibility or obligation (unless the Fiscal Agent is at such time the Securities Depository) with respect to (i) the accuracy of the records of the Securities Depository, the Nominee or any Participant with respect to any ownership interest in the 2020 Water Revenue Bonds, (ii) the delivery to any Participant or any other person, other than an Owner as shown in the Bond Register of the Fiscal Agent, of any notice with respect to the 2020 Water Revenue Bonds, or (iii) the payment to any Participant or any other person, other than an Owner as shown in the Bond Register of the Fiscal Agent, of any amount with respect to principal of or interest and premium, if any, on the 2020 Water Revenue Bonds. The District and the Fiscal Agent may treat and consider the person in whose name each 2020 Water Revenue Bond is registered in the Bond Register of the Fiscal Agent as the holder and absolute Owner of such 2020 Water Revenue Bond for the purpose of payment of principal or Final Compounded Amount of, and interest on, such 2020 Water Revenue Bond, for the purpose of giving notices and other matters with respect to such 2020 Water Revenue Bond, and for all other purposes whatsoever.

The Fiscal Agent shall pay all principal and Accreted Value of and interest on the 2020 Water Revenue Bonds only to or upon the order of the respective Owners, as shown in the Bond Register of the Fiscal Agent, or their respective attorneys, duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the obligations hereunder with respect to the payment of principal and Final Compounded Amount of, and interest on, the 2020 Water Revenue Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Bond Register of the Fiscal Agent, shall receive a 2020 Water Revenue Bond evidencing the obligation to make payments of principal, Final Compounded Amount and interest and premium, if any, pursuant to this Twenty-Third Supplemental Resolution. Upon delivery by the Securities Depository to the Fiscal Agent and the District of written notice to the effect that the Securities Depository has determined to substitute a new nominee in place of the Nominee, and

subject to the provisions herein with respect to record dates, the word Nominee in this Twenty-Third Supplemental Resolution shall refer to such new nominee of the Securities Depository.

SECTION 2.09 Representation Letter. To qualify the 2020 Water Revenue Bonds for the Securities Depository's book-entry system, the Authorized Representative is hereby authorized to execute and deliver on behalf of the District to such Securities Depository a letter, if necessary, from the District representing such matters as shall be necessary to so qualify the 2020 Water Revenue Bonds (the "Representation Letter"). The execution and delivery of the Representation Letter shall not in any way limit the provisions of Section 2.08 hereof or in any other way impose upon the District any obligation whatsoever with respect to persons having interests in the 2020 Water Revenue Bonds other than the Owners, as shown on the Bond Register of the Fiscal Agent. In the Representation Letter, the Fiscal Agent shall agree to take all actions necessary to comply with all representations of the District in the Representation Letter. In addition to the execution and delivery of the Representation Letter, each Authorized Representative of the District is hereby authorized to take any other actions, not inconsistent with this Twenty-Third Supplemental Resolution, to qualify the 2020 Water Revenue Bonds for the Securities Depository's book-entry program.

SECTION 2.10 Transfers Outside Book-Entry System. In the event (i) the Securities Depository determines not to continue to act as securities depository for the 2020 Water Revenue Bonds, or (ii) the District determines that the Securities Depository shall, subject to the provisions of the applicable Trust Agreement with respect to Variable Rate Bonds of such Series, no longer so act and delivers a written certificate to the Fiscal Agent to that effect, then the District will discontinue the book-entry system with the Securities Depository. Subject to the provisions of the applicable Trust Agreement with respect to Variable Rate Bonds of any Series, if the District determines to replace the Securities Depository with another qualified securities depository, the District shall prepare or direct the preparation of a new, single, separate, fully registered 2020 Water Revenue Bond for each of the maturities of the 2020 Water Revenue Bonds, registered in the name of such successor or substitute qualified securities depository or its nominee, or make such other arrangement acceptable to the District and the Securities Depository as are not inconsistent with the terms of this Twenty-Third Supplemental Resolution. If the District fails to identify another qualified securities depository to replace the Securities Depository, then the 2020 Water Revenue Bonds shall no longer be restricted to being registered in the Bond Register of the Fiscal Agent in the name of the Nominee, but shall be registered in whatever name or names the Participants transferring or exchanging Bonds shall designate, in accordance with the provisions of Article II of the Master Resolution and, with respect to the Variable Rate Bonds, the provisions of the applicable Trust Agreement.

SECTION 2.11 Payments and Notices to the Nominee. Notwithstanding any other provision of this Twenty-Third Supplemental Resolution or the Master Resolution to the contrary, so long as any 2020 Water Revenue Bond is registered in the name of the Nominee, all payments with respect to principal and Final Compounded Amount of, and interest and premium, if any, on, such 2020 Water Revenue Bond and all notices with respect to such 2020 Water Revenue Bond shall be made and given, respectively, as provided in the Representation Letter or as otherwise instructed by the Securities Depository.

SECTION 2.12 Initial Depository and Nominee. The initial Securities Depository under this Twenty-Third Supplemental Resolution shall be DTC. The initial Nominee shall be Cede & Co., as Nominee of DTC.

### ARTICLE III

#### APPLICATION OF BOND PROCEEDS; ESTABLISHMENT OF FUNDS; COVENANTS

SECTION 3.01 Application of Proceeds of 2020 Water Revenue Bonds. The proceeds of the sale of a Series of 2020 Water Revenue Bonds and such other moneys as are available and necessary to accomplish the purposes of this Twenty-Third Supplemental Resolution from time to time shall be deposited with the Treasurer and shall be held in trust and, unless otherwise specified in a Certificate of an Authorized Representative, shall be set aside by the Treasurer as follows:

(a) The Treasurer shall deposit in the Bond Service Fund the amount of such proceeds representing interest accrued, if any, on such Series of 2020 Water Revenue Bonds to the date of delivery thereof.

(b) The Treasurer shall deposit in the applicable Reserve Fund, if any, for each Series of 2020 Water Revenue Bonds an amount equal to the Bond Reserve Requirement for each such Series of 2020 Water Revenue Bonds or provide for a Reserve Fund Credit Policy to satisfy the Bond Reserve Requirement for each such Series of 2020 Water Revenue Bonds.

(c) The Treasurer shall deposit in the Costs of Issuance Fund for the applicable Series of 2020 Water Revenue Bonds the amount of such proceeds necessary to pay all Costs of Issuance that are not to be paid from other sources.

(d) The remaining proceeds shall be deposited in the Construction Fund for the applicable Series of 2020 Water Revenue Bonds.

#### SECTION 3.02 Establishment and Application of Costs of Issuance Funds.

(A) The District shall establish, and the Treasurer shall maintain and hold in trust one or more separate funds which shall be designated as the “Water Revenue Bonds 2020 Water Revenue \_\_\_\_\_ Costs of Issuance Fund” (inserting the designation for each Series or multiple Series of 2020 Water Revenue Bonds, as applicable) and shall bear such additional designation as shall be determined by an Authorized Representative. The moneys in each such Costs of Issuance Fund shall be used and withdrawn by the Treasurer to pay Costs of Issuance incurred in connection with the issuance of the applicable Series of 2020 Water Revenue Bonds. The Treasurer shall hold moneys in each such Costs of Issuance Fund uninvested until expended unless directed otherwise by a Certificate of an Authorized Representative. Any amounts remaining in a Costs of Issuance Fund six months following the date of issuance of the 2020 Water Revenue Bonds with respect thereto either (i) shall be transferred to the corresponding Construction Fund and applied as provided in Section 3.03 or (ii) shall be applied for such other lawful purposes determined by the District as are approved in an Opinion of Bond Counsel to the effect that such action shall not, in and of itself, adversely affect the tax-exempt status of interest on the Bonds.

(B) The Treasurer shall keep a record of all payments from each Costs of Issuance Fund, which record shall state: (i) the item number of such payment; (ii) the name and address of the person to whom each such payment is due, which may be the District in the case of reimbursement for costs theretofore paid by the District; and (iii) the purpose by general classification for which each obligation to be paid was incurred.

**SECTION 3.03 Establishment and Application of Construction Funds.**

(A) The District shall establish, and the Treasurer shall maintain and hold in trust, one or more separate funds which shall be designated as the “Water Revenue Bonds 2020 Water Revenue \_\_\_\_\_ Construction Fund” (inserting the designation for each Series or multiple Series of 2020 Water Revenue Bonds, as applicable) and shall bear such additional designation as shall be determined by an Authorized Representative. The moneys in each Construction Fund shall be used and withdrawn by the Treasurer to pay Construction Costs. All investment earnings on funds held in each Construction Fund shall be credited to such fund unless otherwise specified in a Certificate of an Authorized Representative.

(B) The Treasurer shall keep a record of all payments from each Construction Fund, which record shall state: (i) the item number of such payment; (ii) the name and address of the person to whom each such payment is due, which may be the District in the case of reimbursement for costs theretofore paid by the District; and (iii) the purpose by general classification for which each obligation to be paid was incurred.

**SECTION 3.04 Establishment, Pledge, Funding and Application of Reserve Funds.**

(A) In connection with the issuance of each Series of 2020 Water Revenue Bonds pursuant to this Twenty-Third Supplemental Resolution, the District may establish and, if established, the Treasurer shall maintain and hold in trust a separate fund for such Series designated as the “Water Revenue Bonds 2020 Water Revenue Series \_\_\_\_\_ Reserve Fund” (inserting the designation for each Series of 2020 Water Revenue Bonds) and shall bear such additional designation as shall be determined by an Authorized Representative. Each Reserve Fund shall be funded as set forth in Section 3.01 hereof and applied as set forth in this Section 3.04. All amounts held by the Treasurer in a Reserve Fund established with respect to a Series of 2020 Water Revenue Bonds shall be pledged to secure the payment of the principal and Final Compounded Amount of, and interest on, such Series of 2020 Water Revenue Bonds in accordance with their terms.

(B) The District shall at all times maintain an amount equal to the applicable Bond Reserve Requirement in a Reserve Fund established with respect to a Series of 2020 Water Revenue Bonds until such Series is discharged in accordance with the provisions of Article IX of the Master Resolution. The amount of the Bond Reserve Requirement applicable to a designated Series of 2020 Water Revenue Bonds shall be set forth in the Sales Documents for such Series of 2020 Water Revenue Bonds. In the event of any deficiency in a Reserve Fund, the Treasurer shall replenish such deficiency in accordance with the provisions of Section 5.07 of the Master Resolution.

(C) All amounts in a Reserve Fund established with respect to a Series of 2020 Water Revenue Bonds shall be used and withdrawn by the Treasurer, as hereinafter provided, solely for

the purpose of (i) paying principal and Final Compounded Amount of, and interest on, such Series of 2020 Water Revenue Bonds in the event moneys in the Bond Service Fund are insufficient, or (ii) for the payment of the final principal and Final Compounded Amount and interest payment on such Series of 2020 Water Revenue Bonds. Any amounts in a Reserve Fund established with respect to a Series of 2020 Water Revenue Bonds in excess of the Bond Reserve Requirement for such Series shall be transferred to the Bond Service Fund for such Series unless otherwise specified in a Certificate of an Authorized Representative.

All Authorized Investments credited to a Reserve Fund shall be valued as of June 30 of each year (or the next preceding or succeeding Business Day, as determined by the District, if such day is not a Business Day) at their fair market value determined to the extent practical by reference to the closing bid price thereof published in The Wall Street Journal or any other financial publication or quotation service selected by the Treasurer at his or her discretion.

(D) Notwithstanding anything herein to the contrary, at the option of the District, amounts required to be held in a Reserve Fund may be substituted, in whole or in part, by the deposit with the Fiscal Agent of a Reserve Fund Credit Policy in a stated amount equal to the amounts so substituted, provided that prior to the substitution of such Reserve Fund Credit Policy the Rating Agencies shall have been notified of such proposed substitution and the substitution shall not result in a downgrading or withdrawal of any rating of such Series of 2020 Water Revenue Bonds then in effect by the Rating Agencies. Any such substituted moneys shall be applied as provided in a Certificate of an Authorized Representative.

So long as a Reserve Fund Credit Policy shall be in force and effect with respect to such Series of 2020 Water Revenue Bonds, any deposits required to be made with respect to the applicable Reserve Fund pursuant to Section 5.07 of the Master Resolution shall include any amounts due to the provider of such Reserve Fund Credit Policy resulting from a draw on such Reserve Fund Credit Policy (which amounts shall constitute a “deficiency” or “withdrawal” from the applicable Reserve Fund within the meaning of Section 5.07 of the Master Resolution). Any such amounts shall be paid to the provider of such Reserve Fund Credit Policy as provided in such Reserve Fund Credit Policy or any related agreement.

**SECTION 3.05** Establishment and Application of Excess Earnings Funds. To ensure proper compliance with the tax covenants contained in Section 3.06 hereof, the District shall establish when required and, if established, the Treasurer shall maintain, a fund for each Series of 2020 Water Revenue Bonds issued hereunder, which fund, if any, shall be separate from any other fund or account established and maintained hereunder or under the Master Resolution designated as the “Water Revenue Bonds 2020 Water Revenue Excess Earnings Fund” and shall bear such additional designation as shall be determined by an Authorized Representative. All money at any time deposited in the Excess Earnings Fund with respect to a Series of 2020 Water Revenue Bonds in accordance with the provisions of the Tax Certificate applicable to such Series shall be held by the Treasurer for the account of the District in trust for payment to the federal government of the United States of America, and neither the District nor the Owner of any bonds of such Series of 2020 Water Revenue Bonds shall have any rights in or claim to such money. All amounts deposited into or on deposit in any such Excess Earnings Fund shall be governed by this Twenty-Third Supplemental Resolution and by the applicable Tax Certificate. The Treasurer shall invest all amounts held in any such Excess Earnings Fund in accordance with the applicable Tax

Certificate. Money shall not be transferred from the Excess Earnings Fund established for a Series of 2020 Water Revenue Bonds except in accordance with the Tax Certificate with respect to such Series.

SECTION 3.06 Tax Covenants. In order to maintain the exclusion from gross income of the interest on the 2020 Water Revenue Bonds for federal income tax purposes, the District covenants to comply with each applicable requirement of Section 103 and Sections 141 through 150 of the Code and the District agrees to comply with the covenants contained in, and the instructions given pursuant to, each Tax Certificate which by this reference is incorporated herein, as a source of guidance for compliance with such provisions.

Notwithstanding any other provisions of the Master Resolution or this Twenty-Third Supplemental Resolution to the contrary, upon the District's failure to observe, or refusal to comply with, the foregoing covenant, no Person other than the Owners of the 2020 Water Revenue Bonds shall be entitled to exercise any right or remedy provided to the Owners under the Master Resolution or this Twenty-Third Supplemental Resolution on the basis of the District's failure to observe, or refusal to comply with, such covenant.

SECTION 3.07 Establishment and Application of Additional Funds. In addition to the funds established pursuant to the Master Resolution and this Twenty-Third Supplemental Resolution, there shall be established and maintained such additional funds and/or accounts as shall be set forth in the Trust Agreement, if any, including funds with respect to the purchase and remarketing of Variable Rate Bonds, with respect to the payments to be made by the District under any interest rate swap agreement or agreements entered into by the District, and for such other purposes as the District or the Fiscal Agent deem necessary or desirable.

#### ARTICLE IV

##### FISCAL AGENT AND PAYING AGENT

SECTION 4.01 Fiscal Agent and Paying Agent. The Treasurer of the District is hereby appointed as Fiscal Agent with respect to the 2020 Water Revenue Bonds. In addition, with respect to a Series of Variable Rate Bonds, if any, an Authorized Representative may appoint a Paying Agent, which shall have such duties as shall be set forth in the respective Trust Agreement.

The Ad Hoc Committee is hereby empowered to establish on behalf of the District such aggregate principal amount, terms and conditions of each Series of 2020 Water Revenue Bonds, and the terms and conditions of the sale of each Series of 2020 Water Revenue Bonds to the Underwriters, as the members of the Ad Hoc Committee shall agree upon in their sole discretion as being in the best interests of the District, subject only to the provisions of the Act and of this Twenty-Third Supplemental Resolution, and shall be so empowered solely to implement the fundamental policies established by this Twenty-Third Supplemental Resolution in a manner that is most advantageous to the District, and, if required, to deem the preliminary official statement relating to each Series of 2020 Water Revenue Bonds as being final within the meaning of Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended.

Such aggregate principal amount, terms and conditions of each Series of 2020 Water Revenue Bonds and the terms and conditions of their sale shall be set forth in the Sales Documents with respect to such Series of 2020 Water Revenue Bonds and, with respect to Variable Rate Bonds of a Series, if any, in the respective Trust Agreement. Such terms and conditions as so set forth, together with the other terms and conditions of each Series of 2020 Water Revenue Bonds set forth in this Twenty-Third Supplemental Resolution, shall, upon execution and delivery of the Sales Documents with respect to such Series and, if any, the Trust Agreement, by the Ad Hoc Committee, or its designee, on behalf of the District, be all the terms and conditions of each Series of 2020 Water Revenue Bonds, as if all such terms and conditions were fully set forth in this Twenty-Third Supplemental Resolution.

The provisions of the Sales Documents, and Trust Agreement, if any, pertaining to the terms of each Series of 2020 Water Revenue Bonds are hereby incorporated by reference into this Twenty-Third Supplemental Resolution with the same force and effect as if set forth herein.

In connection with the sale of 2020 Water Revenue Bonds, the Ad Hoc Committee or its designee is further hereby authorized to approve on behalf of the District, one or more credit enhancement instruments (such as municipal bond insurance), all upon such terms and conditions as the Ad Hoc Committee shall determine to be in the best interests of the District.

In connection with the sale of 2020 Water Revenue Bonds that are Variable Rate Bonds, the Ad Hoc Committee or its designee is further hereby authorized to approve on behalf of the District, one or more remarketing agreements providing for the remarketing of such Variable Rate Bonds, if necessary, fiscal agent agreements, calculation agent agreements or any other agreement in connection with such Variable Rate Bonds and one or more liquidity or credit agreements,

The Board hereby finds and determines that the interests of the District and the public interest and necessity require that the provisions of Section 225 and of Section 226 of the Act be waived.

The Ad Hoc Committee shall file a certificate concerning its actions pursuant to this Twenty-Third Supplemental Resolution with the District together with a copy of the Sales Documents and any Trust Agreement for each Series of 2020 Water Revenue Bonds.
