To the Honorable Board of Directors of the Metropolitan Water District: My name is Jessica Cowley and I live in Los Angeles city and county. I am writing to you today, urging you to move forward the approval process for the Regional Recycled Water Program (RRWP) by voting YES on Agenda Item #7-3 and #7-4 on November 10th.

I care about water equity and local water because our future depends on it. The RRWP's environmental planning phase is a critical step to make progress on a sustainable and local water supply. I believe you all will make the important decision to move forward on the next steps for the Regional Recycled Water Program today.

Thank you for your consideration.

Sincerely,

Jessica Cowley
