To the Honorable Board of Directors of the Metropolitan Water District,

My name is Kristen Schwarz and I live in Silverlake, in Los Angeles County. I am writing to you today to urge you to move forward the approval process for the Regional Recycled Water Program (RRWP) by voting YES on Agenda Item #7-3 and #7-4 on November 10th. I care about water equity and local water because:

- a. water is life, and
- b. it is so essential that to threaten equitable access feels apocalyptic

The RRWP's environmental planning phase is a critical step to make progress on a sustainable and local water supply. I believe you all will make the important decision to move forward on the next steps for the Regional Recycled Water Program today.

Thank you for your service and your time.

Best Regards,
Kristen Schwarz
