To the Honorable Board of Directors of the Metropolitan Water District:

My name is Maggie Thach Morshed and I live in San Diego, in San Diego County. I am writing to you today, urging you to move forward the approval process for the Regional Recycled Water Program (RRWP) by voting YES on Agenda Item #7-3 and #7-4 on November 10th. I care about water equity and local water because clean, affordable water is something all people need and deserve. The RRWP's environmental planning phase is a critical step to make progress on a sustainable and local water supply. I believe you all will make the important decision to move forward on the next steps for the Regional Recycled Water Program today. Thank you.

Best,  
Maggie
