To the Honorable Board of Directors of the Metropolitan Water District: My name is Regis Duffy and I live in Los Angeles in LA county. I am writing to you today, urging you to move forward the approval process for the Regional Recycled Water Program (RRWP) by voting YES on Agenda Item #7-3 and #7-4 on November 10th.

I care about water equity and local water because it will only become more important as global warming and local populations both increase. The RRWP's environmental planning phase is a critical step to make progress on a sustainable and local water supply.

I believe you all will make the important decision to move forward on the next steps for the Regional Recycled Water Program today. Thank you.

- Regis
