Honorable Board of Directors of the MWD,  
My name is Yelena Zeltser and I am a resident of Los Angeles. I want to urge you to move forward the approval process for the Regional Recycled Water Program (RRWP) by voting YES on Agenda Item #7-3 and #7-4 on November 10th. We must ensure that our water infrastructure is robust and serves all residents and users in an equitable manner. The RRWP's environmental planning phase is a critical step to make progress on a sustainable and local water supply. I believe you all will make the important decision to move forward on the next steps for the Regional Recycled Water Program today.

Thank you.  
Yelena Zeltser
