Directors Apodaca and Hawkins entered the Meeting during public comment period.

Chairwoman Gray addressed the following: Other Matters and Reports for November.

Director Butkiewicz left the Meeting.

**52194** Chairwoman Gray asked if there were any changes to the report of events attended by Directors at Metropolitan's expense during the month of November as previously posted and distributed to the Board. No amendments were made.

**52195** Chairwoman Gray referred to her monthly report, which was previously posted and distributed to the Board. Chairwoman stated she had nothing to add to her report; however, she made the following announcement.

Chairwoman announced that she will propose at the January 2021 Board meeting that the Conservation and Local Resources committee be made a standing committee.

**52196** Regarding matters relating to Metropolitan's operations and activities, General Manager Kightlinger provided a COVID update as it relates to Metropolitan's workforce and its current impact on Metropolitan. He also stated that Metropolitan continues to effectively manage its operations utilizing safety measures and protocols in place and are therefore able to continue to perform the necessary essential services.

Additional information on the General Manager's activities may be found in his written monthly report.

The following Director asked a question:

1. Director Quiñonez

**52197** General Counsel Scully provided the following updates:

1. A closed session report regarding litigation filed by Metropolitan naming the Department of Water Resources and the California Department of Fish and Wildlife as defendants, based on the change in administrations, will be provided to the Board in early 2021.
2. General Counsel Scully also showed a PowerPoint presentation to the Board on: Brown Act Compliance: Social Media Update. The presentation highlights amendments to the Brown Act effective January 1, 2021 relating to communications and Social Media.

**52198** General Auditor Riss reported that the Audit Department issued two reports this month:

1. Colorado River Users Association Financial Report, which is an audit of all the financial transactions made by this association.
2. Check with Owner Audit Report, which received a less than satisfactory opinion and will be brought to the next Audit and Ethics Committee to provide both audit comments and management response.

**52199** Ethics Officer Salinas made the following announcements:

1. The AB1234 Ethics Training is due December 31, 2020; staff will distribute additional information to the Board regarding this training.
2. The Ethics Office entered into a contract with an outside legal counsel, Shaw Law Group, to begin an independent review of allegations of systemic equal employment-related concerns at Metropolitan. Staff will present periodic updates to the Organization, Personnel and Technology Committee during this review.

**52200** Chairwoman Gray addressed the Consent Calendar Items for December 2020

Chairwoman Gray asked Directors if there were any comments or discussion on the Minutes of the Meeting for November 10, 2020. No requests were made.

Chairwoman Gray announced the following committee appointments for the term beginning January 1, 2021:

1. Director Glen Peterson as Chair and Director Tamaribuchi as Vice Chair of the Water Planning and Stewardship Committee
2. Directors Repenning, De Jesus, Kurtz, and Ackerman as Vice Chairs of The Board
3. Director Atwater as Chair and Director Cordero as Vice Chair of the Bay-Delta Committee
4. Director Morris as Chair and Director Hawkins as Vice Chair of the Communications and Legislation Committee
5. Director Quinn as Chair and Director Goldberg as Vice Chair of the Conservation and Local Resources Committee
6. Director Blois as Chair and Director Faessel as Vice Chair of the Engineering and Operations Committee
7. Director Galleano as Chair and Director Hogan as Vice Chair of the Agriculture and Industry Relations Committee
8. Director Record as Chair and Director Matt Petersen as Vice Chair of the Finance and Insurance Committee
9. Director Pressman as Vice Chair of the Legal and Claims Committee
10. Director Lefevre as Chair and Director Trevino as Vice Chair of the Facilities Naming Ad Hoc Committee

11. Director Smith as Chair and Director Camacho as Vice Chair of the Real Property and Asset Management Committee

Director Camacho left the Meeting.

Chairwoman Gray announced on behalf of herself and Director Williams that pursuant to MWD Act Section 56, directors who are also members of the governing body of their member agency are disqualified from voting on a contract between Metropolitan and their member agency and that they would not be voting on Agenda Item 7-6.

Chairwoman Gray asked if any Directors required further discussion on Agenda Item 7-8 in closed session. No requests were made.

Director Ortega submitted a letter, dated December 8, 2020 (at 10:36 a.m.), addressed to Chairwoman Gray and the Board of Directors, regarding Agenda Item 6B: Committee Assignments.

The following participants asked questions or made comments:

Directors/Staff	Comments/Questions

**Subject:** Support of Metropolitan's Agreement with Southern Nevada Water Authority for Continued Development of the Regional Recycled Water Program

Dear Chairwoman Gray:

On behalf of the Municipal Water District of Orange County<sup>1</sup> (MWD OC), we are writing in support of Metropolitan entering into an agreement with the Southern Nevada Water Authority (SNWA) to financially contribute to the environmental planning for the Regional Recycled Water Program. This project is a new step for Metropolitan in further developing local resources and enhancing the region's reliability. MWD OC supports this all-of-the-above approach to deal with Southern California's water resources challenges through the Regional Recycled Water Program, as well as continued investments in water use efficiency, local resources, and a Conveyance solution in the Delta.

The SNWA partnership will provide financial resources to support the necessary planning to develop the Regional Recycled Water Program and may enhance our future ability to assure the affordability of implementing the program.

Metropolitan and SNWA have collaborated on previous projects and agreements involving water supplies and new strategies to help maximize water resources in the West. SNWA has expressed an interest in potentially providing a significant financial contribution towards implementation of the Regional Recycled Water Program in exchange for receiving additional Colorado River supplies from Lake Mead. Although exchanging a portion of Metropolitan's Colorado River supply must be carefully considered, such a partnership would provide multiple benefits to Metropolitan.

Collaborating with SNWA on a regional project will strengthen our relationship and partnership with a fellow Lower Basin State agency, which the state and federal agencies have encouraged. Such a collaboration can be a roadmap to further aid the negotiations along the Colorado River and would likely improve our ability to secure federal funding for our project.

Furthermore, the framework of the proposed terms and conditions for this agreement do not obligate Metropolitan nor SNWA to this water exchange. Rather

this partnership with SNWA will further benefit Metropolitan by providing financial resources to support the planning phase in accordance with the agreement, with little to no risk. Therefore, this opportunity makes good financial sense.

We support the environmental planning for development of significant water reuse in Southern California and the ability to augment regional supplies for Metropolitan's entire service area. Collaborating with agencies on the Colorado River and developing joint regional reliability partnerships, and financial contributions, are clearly helpful in developing large scale projects.

Sincerely,

Sat Tamaribuchi  
MWDOC Board President

*<sup>1</sup>Municipal Water District of Orange County is a member of the Metropolitan Water District of Southern California, providing imported water to over 3.2 million Orange County residents through 28 retail water agencies. Re: Board Item 8-1  
Metropolitan Water District Board of Directors  
December 8, 2020

Dear Chairwoman Gray and Members of the Board:

On behalf of the 200 members of the Southern California Water Coalition (SCWC), I urge your approval of item 8.1 at the December 8 Board Meeting to authorize the Metropolitan General Manager to enter into an agreement with Southern Nevada Water Authority (SNWA) to support the development of the Regional Recycled Water Program.

At your last meeting you approved moving forward with the environmental planning phase for the Regional Recycled Water Program with the overwhelming support of community stakeholders like SCWC. That work is estimated to cost \$30 million over the next several years.

With SNWA having agreed to provide up to \$6 million (up to 24% of Metropolitan's costs) to directly offset costs for environmental planning studies and analysis, it seems prudent for Metropolitan to accept these funds in order to offset some of the costs to Metropolitan and its member agencies for the studies needed for the board to make a final decision.

In addition, it is our understanding that the agreement does not obligate Metropolitan or SNWA to any long-term exchange, nor does it commit either agency to move forward with the program in the future.

Since any terms of a future exchange agreement or allocation would be developed at a later date through a separate Development Agreement, if both parties ultimately do not enter into such a Development Agreement, SNWA's financial contributions to the RRWP's environmental planning would be returned. This financial contribution from SNWA will help reduce MWD's overall costs.

SCWC sees this agreement as an important policy decision for Metropolitan. It supports development of significant water reuse in Southern California as well as collaborative negotiations for the Colorado River Operating Guidelines. Together, these efforts would augment regional supplies for Metropolitan's entire service area to improve resiliency and reliability for droughts, climate change and seismic risks.

For all of the above reasons, the SCWC urges your approval of Metropolitan's share of funding as proposed by your staff. If you have any questions or wish additional information, please do not hesitate to contact me at (949) 632-2074 or by email at [cwilson@socalwater.org](mailto:cwilson@socalwater.org).

Thank you for the opportunity to engage in your deliberative process.

Sincerely,

A handwritten signature in black ink, appearing to read "Charley Wilson".
